DEMOCRATS IN EARLY LEAD ON REGISTRATIONS

Fifty-three Republicans and 196 Democrats have been registered so far by traveling registrars during the current period when the county election board is sending special registrars to various sections of the county for "one-day" sessions at which new registrations are received, changes of address noted, and similar activities carried on to prepare the voting list for the forthcoming election.

Monday 123 registered at the Conewago election house, where the registrars visited on that day. Of that number 104 were Democrats, 17 Republicans and two non-partisans.

Tuesday, in Berwick Twp., 64 Democrats, 22 Republicans and two non-partisans were recorded.

At New Oxford Today
Wednesday at York Springs 28 Democrats and 14 Republicans were listed.

Today the registrars were at New Oxford as they continued their two-week long period of special registrations.

Election Board officials said that the experience of the first three days would indicate that possibly 1,500 new voters may be enrolled by the time the special registration is completed.

Both the Democrats and Republican parties in the county are carrying out special programs designed to encourage registration of voters during the period.

HAINES ASKS FOR ATTORNEY

Percy S. Haines, 60-year-old Newville R. 2 farmer, charged with the August 2 Cumberland County court-room slaying of John D. Faller Jr., 41-year-old Carlisle lawyer, Wednesday petitioned for Cumberland County Court for the appointment of counsel to defend him at a trial, scheduled for the September term of court by District Attorney Clinton R. Weidner, New Cumberland.

Haines, who fired four shots from a .22 calibre revolver moments after Judge Mark E. Garber, Carlisle, made a \$50-a-month court order against the defendant, presented his petition for court-appointed counsel through Weidner in the presence of Judge W. C. Sheely, who has been assigned to handle all matters in the case by the Pennsylvania Supreme Court.

Haines told Judge Sheely that he is not able to pay counsel fees in view of the fact that a domestic attachment has been made against Haines' real and personal property.

Haines, who is charged with murder, appeared calm and showed no outward emotion before Judge Sheely, who said he would take the petition under advisement and appoint counsel. He did not indicate when he would make the appointment.

APPLY FOR LICENSES

Marriage license applications have been filed in Carlisle by Ervin B. Smith, Carlisle R. 4, and Catherine R. Griffith, Gardners R. 2; John A. Judge, Camp Hill, and Lollie E. Starnes, Gardners R. 1.

Lester Davis, Arendtsville, told borough police that a girl's blue bicycle has been missing from his home since Friday. The finder has been requested to contact him or police.

18 Injured As Prison Riot Is Broken Up In New York

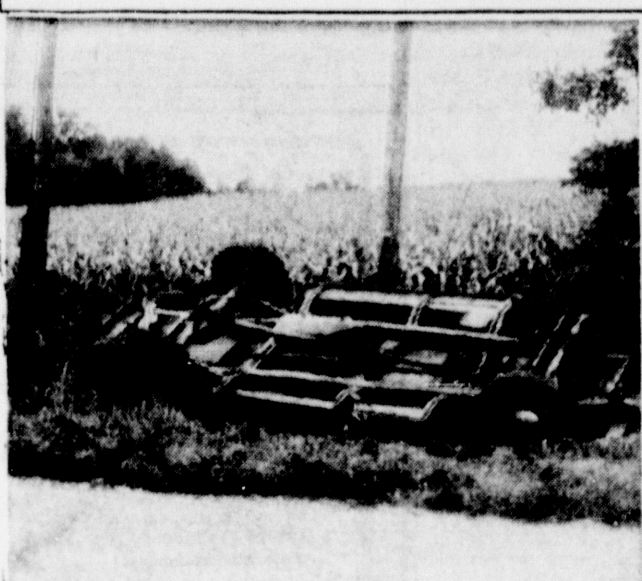

COMSTOCK, N.Y. (AP)—Guards and state police, using nightsticks and guns as clubs, battled prisoners for 26 minutes early today and broke up an uprising at Great Meadow Correctional Institute. Eighteen persons were injured.

One shot was fired accidentally when heavily armed guards and state troopers herded the 174 rebels back to their cells. The shot ricocheted and wounded two troopers and a guard. The other casualties were a trooper and 14 prisoners, who suffered cuts and bruises.

It was the first revolt in a New York state prison in a quarter century.

Defy Ultimatum
The rebels had defied an ultimatum from Thomas J. McHugh, state correction commissioner. McHugh raved here 100 miles from Canton and told the rebels to end the disturbance within five minutes. They did not comply.

Truck Top Smashed; Driver Unhurt

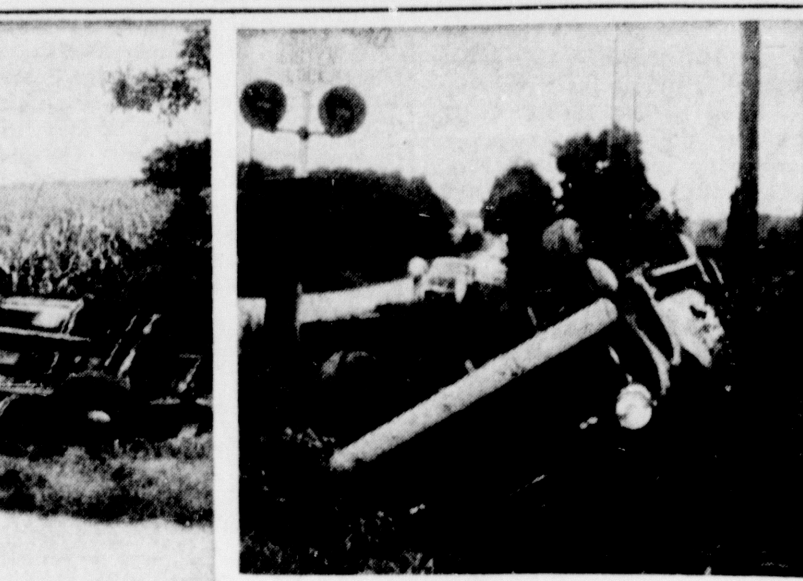

John Cullison, 23, Fairfield R. 2, succeeded in avoiding a collision Wednesday afternoon with a Reading Railroad freight train at the grade crossing on the north slope of Keckler's Hill but his truck upset and came to rest on its top in a roadside ditch only a few yards from the track.

Cullison was driving north enroute to Biglerville to make deliveries for the Meadow Valley Abattoir when he suddenly became aware of the approaching freight train and the flashing roadside

signals. He slammed on the brakes and swerved toward the right side of the road where his panel body delivery truck struck soft earth and turned end over end in a four-foot roadside ditch.

Although the top was smashed and the windshield completely shattered, Cullison walked out of the back of the truck with only a bruise on one elbow. He returned to the wrecked truck a moment later to turn off the motor switch and then started to walk back to the abattoir.

The freight train, which reached the crossing at the same time as

Cullison, stopped just beyond the crossing. Conductor Morris Fleagle determined no one had been hurt and the freight continued. The Reading office here placed the time of the accident at about 1:50 p.m.

BILL RIDINGER GETS POSITION AT LEVITTOWN

William H. Ridinger, a native of Gettysburg and a graduate of Gettysburg College, has been appointed as director of school-community recreation at Levittown, Long Island, N. Y.

A planned community, Levittown is now a city of 50,000 persons. Eight years ago it didn't exist.

Ridinger, formerly recreation director at Concord, N. C., and is presently an award fellowship student on the doctoral level at New York University, New York City.

Ridinger has a national reputation in the Recreation field. In 1953 his program at Concord was judged by the National Mid-Century Festival of American Sports Committee as the best small city program in America—sharing that honor with San Diego winner for the large cities.

He will continue his fellowship work in the development of self-governing youth groups with New York University's Department of Human Relations as well as part-time work on his Doctor's degree in Education and Recreation.

Mrs. Ridinger, the former Eleanor Hershey, and son, Tommy, will join her husband in Levittown later this year. A daughter, Charlotte, will continue as a sophomore at the Women's College, Greensboro, N. C.

Ridinger is a son of Mrs. Amy Ridinger, Oak Ridge.

COMMUNIST AA GUNS SHOOT DOWN SMALL UNARMED YANK TRAINING PLANE OVER KOREA; FATE UNKNOWN

PANMUNJOM, Korea, Aug. 18 (AP)—Communist antiaircraft guns yesterday shot down a small unarmed American training plane. The U. N. Command today said the craft had "inadvertently intruded" but the demilitarized zone but not into North Korean territory.

Later the Air Force announced a C-47 transport searching near the demilitarized zone for the missing trainer was fired upon this morning. One small slug hit the left wing but the plane was otherwise unharmed.

Maj. Gen. Harlan C. Parks, senior Allied member of the Military Armistice Commission, accused the Reds of "wanton barbarism" in pouring "continuous murderous and devastating ground fire" at the plane until it crashed, out of control, in Communist territory.

Ask Men's Return
Parks said the plane carried only a pilot and a military passenger on "a routine training flight."

There was no information on whether the two escaped death. Their names were withheld.

Parks demanded that the Reds immediately return the two men. Air Force officials said the plane which Allied ground observers saw shot down is believed to be a T-6 trainer missing on a training flight.

John A. Woodring, Fairfield R. 1, Dies

John A. Woodring, 78, Fairfield R. 1, died at the home of Howard Carbaugh, Fairfield R. 1, Wednesday evening at 11 o'clock. He was a lifelong resident of that community.

He was a son of the late Daniel and Mary Andrews Woodring and was a woodsman.

Surviving are two brothers, David, Fairfield R. 1, and Joseph, McSherrystown.

Funeral services Saturday afternoon at 2 o'clock at the Allison Funeral Home in Fairfield with the Rev. Leonard Falk officiating. Interment in the Fairfield Union Cemetery. Friends may call at the funeral home Friday after 7 p.m.

SPORTSMEN'S GROUP PLANS CONSERVATION

Plans for a shooting match and tentative plans for a conservation program were outlined Wednesday evening at a meeting of the Gettysburg Sportsmen's Association at the club's lodge on Walnwright Ave.

President George Hughes appointed himself, Fred Starnes, Chief of Police Jack Bartlett and Raymond Singley as a committee to arrange for a public shooting match for adults on September 11 at the gun club. Tentative arrangements were made for a youth match on September 18.

Much of the evening was devoted to discussion of a program of wildlife conservation in the area.

Considering Pond
If plans can be worked out, the association will establish a fish pond on the east end of its property, with the discussion indicating that the pond would be stocked and that, with limitations the pond would be opened for fishing to the general public.

With discussion indicating that the Adams County Fish and Game Association, which for many years was active in promoting wildlife conservation in the Gettysburg area has in more recent years become inactive, the Sportsmen's group discussed the possibility of taking over some of the work that had been carried on by the fish and game group.

Bream's dam was discussed as one project, if sufficient interest on the part of the public generally can be obtained. The dam on Marsh Creek was constructed about 25 years ago by the fish and game group, and served for a long time as a form of reservoir for water for the borough. In more recent years portions of the dam have been swept away by floods.

Property Transfers

The following property transfers have been filed in the office of the register and recorder:

The co-partners of the Colt Park Development Co. and their wives, all of Gettysburg, sold to James B. Gregg and wife, Gettysburg, for \$16,500, a property on Highland Ave.

Francis A. Pecker and wife, York County, sold to Clyde G. Zeigler, York, for \$7,000, a property lying in York County and Conewago Township.

Henry A. Keeler and wife, New York City, sold to Lawrence M. Sheads and wife, Gettysburg, for \$6,450, a property of approximately 2 1/2 acres in Straban Township.

John E. Snyder and wife, Gettysburg, sold to William J. Nunemaker and wife, R. 2, for \$1,700, a property on Gettys St.

Miss Clova Miller Of York Springs Dies

Miss Clova Katherine Miller, 55, York Springs, died Wednesday at 10:30 p.m. at her home from a complication of diseases.

Park Employee Is Given Honor Award

Lester H. Wherley, R. 2, Cumberland Twp., was presented with a "Commendable Service" honor award in a ceremony Wednesday afternoon in the National Park office, in recognition of thirty years' work in the Gettysburg National Park. Mr. Wherley, who retired July 1, began his service as a laborer and later became a maintenance man.

The award was issued by the Department of the Interior through Conrad L. Wirth, director of the National Park Service. It was presented with a lifetime pass to the National Parks by Dr. J. Walter Coleman, superintendent of the Gettysburg National Park, who said that Wherley was "a very conscientious and faithful workman, and certainly deserved the award."

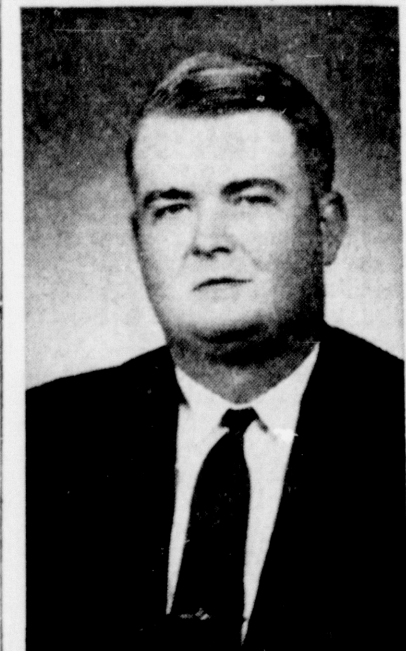

10th Recorded Incident
"Despite these facts, your trigger happy gunmen, without warning or without waiting to ascertain if the aircraft would positively intrude into your territory, opened fire without provocation while the plane was still over the demilitarized zone."

Parks said this was the 10th officially recorded incident of Red ground guns firing on "unarmed craft" in the past 10 months.

He contrasted that with 53 incidents in which he said Communist aircraft had intruded Allied territory south of the demarcation line and in which Allied gunners had held their fire.

Will Hold Inquest Into Boy's Death

Dr. C. G. Crist, Adams County coroner, announced today that he has decided to conduct an inquest into the death Sunday afternoon at East Berlin of Richard M. Walker, 14, East Berlin R. 3. The boy was killed almost instantly when he was struck by an auto as he rode his bicycle on the highway.

Dr. Crist had first said he was doubtful that an inquest would be held but said today because of information that he has reached him since the accident he will conduct a full investigation into the tragedy. The inquest will not be held until after the August session of court, the coroner stated.

The boy was severely cut about the throat when his head went through the windshield of a car operated by Gary E. Becker, 16, Abbotstown R. 1.

LUTHERANS BUY FORMER SCHOOL IN BIGLERVILLE

The former community building that had served for a number of years also as a grade school building was bought at public sale Wednesday evening by St. Paul's Lutheran Church of Biglerville. The price was \$22,200.

The property was sold by the Biglerville school district and possession is to be given in 30 days.

A church officer said the congregation has no definite plans now for the use to which the property may be put but indicated that it might figure in expansion of the present church property which is separated only by an alley at the rear from the school land.

The property was knocked down to Donald Horst, who was bidding for the church. The auctioneer was Clair Slaybaugh.

The concrete block structure and the land upon which it stands was offered first and the 1 1/2 acres of land to its rear was also put up for sale separately but the bidding was slow on the separate parcels. When the two lots were offered as a single property the bidding was spirited until it stopped at the sale figure which one school official said he regarded as "a fairly good price."

After the real estate was sold a number of old school desks, folding chairs, a piano and miscellaneous items were sold, bringing a total of \$338.

The school property fronts on N. Main St. for 122 feet. The building measures 50 by 110 feet with two rooms on the first and second floors and an auditorium measuring 40 by 50 feet.

Gettysburg Native Dies In California

Maurice W. Bushman, 63, a native of Gettysburg, died this morning at 6 o'clock at Oxnard, Calif. He had suffered with a heart condition for some time.

The deceased was a son of the late William and Annie Bushman. At the time of his death he was employed by the Navy at Oxnard.

Surviving are his widow; one brother, Leo, 264 Baltimore St.; two sisters, Mrs. Ruth O'Brennan, Baltimore, and Sister Magdalene, the former Edith Bushman, Summit, N. J. A number of nephews and nieces also survive.

Funeral services and burial will take place in Oxnard.

ENTERES HOSPITAL

Mares Sherman, 123 E. Broadway, has entered the Reading Hospital for neuro-surgical treatment due to a spinal disc disorder.

Plagues have been ordered for Bridges 74 and 75 on the Stone Jug Rd. now under construction. The reinforced concrete structure bridges replace two wooden covered bridges at the site. The 12- and 19-ton bridge members will be placed, and the bridges opened, "long before school opens," the commissioners, clerk, solicitor, engineer and contractor. Plans call for the numbers to be placed on future plaques to be placed when other new bridges are constructed.

Following, generally a north northwest course once she hit the Atlantic mainland, Diane brought high tides that flooded some business establishments in northeastern North Carolina and rains that further damaged tobacco and corn crops in Virginia. Her winds, at one time 115 m.p.h. when she was still at sea, fell to 100 m.p.h. offshore and by the time she reached Wilmington, N.C., were down to 74 m.p.h.

High tides rose into the streets at Washington, N.C., on the Pamlico River. Flooding conditions also were reported from Edenton, Hertford and Elizabeth City, N. C., where buildings stood in 18 inches of water. Waves did some damage at Wrightsville, Carolina, Kure and Atlantic beaches.

Damage in South Carolina was described as "practically negligible."

Highest gusts from Diane in Virginia were 56 m.p.h. at Lynchburg, 55 m.p.h. at Danville and 53 m.p.h. at Norfolk. In both Norfolk and Richmond, the storm de-roofed a building but there were no injuries.

Storm Warnings Down
Moderate to heavy rains were advance into Central Pennsylvania and Eastern West Virginia, as well as Western Maryland, today.

Along the Atlantic coast, southeast storm warnings which had been in effect since Diane was at her worst were hauled down at 2 a.m. and only small craft were warned to stay in port until the seas subsided.

Diane didn't do much damage in her passage over the Carolinas and Virginia yesterday and last night after she came ashore in the morning. The Weather Bureau had no trouble predicting her movements as it did in the case of last week's Hurricane Connie, a more destructive storm.

NEW TEACHERS ARE SELECTED AT EAST BERLIN

Stephen F. Heyser, newly-elected vocational agriculture teacher at East Berlin High School, has moved his family to a home near Two Churches, and has begun contacting prospective vocational agriculture students. Mr. Heyser graduated from Gettysburg High School in 1942, where he earned a Keystone Farmer degree and from Pennsylvania State University.

He taught at Tuscarora Valley High School, Port Royal, Pa., for the past four years, and has served three years with the U. S. Army. He succeeds Paul Orner, who resigned to accept position with the Federal Farm Service.

Other Teachers Named

Other teachers recently elected to teach in the Conewago Jointure during the 1955-56 school year include Paul W. Case, Harrisburg, who was graduated from Grove City College with a baccalaureate degree in Business Education. He formerly taught at Mathews County High School, Mathews, Va., and had much experience as a stenographer and purchasing adviser for the Commonwealth of Pennsylvania. He too, served with the U. S. Army. He replaces Mrs. Ruth Mickle who, after 12 years in the East Berlin Schools, accepted a similar position in York High School.

Mrs. Mary Witmer has been selected to teach first grade in the East Berlin unit, replacing Mrs. Relda Tilberg, who will teach in her home town, Gettysburg. Mrs. Witmer graduated from Shippensburg with a normal school diploma and has had four years teaching in Cumberland County. Her home is Shippensburg R. 1. She is currently a summer school student at Shippensburg State.

Mrs. Mary Rudisill, who taught the last four years at Harbold's School, near Bigmouth, grades 3 and 4, has accepted a first grade position in the New Oxford Schools. This position is now vacant, as are vocal music supervisor, girls' physical ed-health and full-time secretary in the high school office. Persons interested in any of these positions should contact E. M. Gruver, supervising principal of schools at East Berlin.

Taneytown Driver Fined After Crash

John William Campbell, Taneytown R. 2, paid a \$25 fine to West York Patrolman Clarence Miller Jr., after an accident at King Street and Overbrook Avenue about 2:50 p.m. Wednesday. He was charged with failing to stop at a stop sign. No one was injured.

According to Miller, Campbell failed to stop his car while traveling east on King Street. A truck owned by Motor Cargo, Inc., York, and operated by Glenwood Lease, York, collided with the Campbell car which caromed into an auto driven by Walter E. Helfrich Jr., York, owned by Keystone Coal Company, York. Helfrich was waiting at the stop sign for traffic to clear when the collision occurred.

Damage to the Campbell car was estimated at \$500, to the Helfrich car, \$300, and to the truck, \$10.

Yosko Has Numerous Budget Proposals

HARRISBURG (AP) — Sen. Yosko (D-Northampton) today promised that "numerous recommendations" to the Senate would result from Democratic Senate hearings now in progress on Gov. Leader's proposed budget for the 1955-57 biennium.

"From the testimony I have heard during these hearings I already know of several recommendations I will make to the legislature when the hearings end," Yosko said in an interview.

Yosko heads an eight-member Democratic committee looking into the administration's \$1,800,000,000 proposed budget for the current biennium.

UNA MAY HAVE LOST BOTH OF HER HUSBANDS

SACRAMENTO, Calif. (AP) — Una Schmidt-Fine, who a week ago was in the dilemma of choosing between two husbands — today faced the possibility that she may have none.

The attorney for Daniel Schmidt, 23-year-old Air Force gunner who returned from 32 months in a Communist Chinese prison camp to find his wife had married again, said Schmidt is "not interested in taking Una back."

In Nevada City, Una's attorney, Harold Berliner, said Alfred Fine, 21, the logger Una says she married in the belief Schmidt had been killed in Korea, had left her for a job in another town.

Her reconciliation hopes got encouragement from one source: Schmidt's mother, Mrs. Nellie Peters, told the Associated Press in Portland the 20-year-old Una had pleaded with her by long distance telephone on Monday to help her get Daniel back.

Mrs. Peters said she has not given up hope of a reconciliation that she'll have to hear it from Schmidt before she believes Daniel and Una are through.

She said Schmidt told her he would work out his problems and added: "Now others have entered the picture it doesn't sound like Danny any more."

"There has been no one trying to get them back together. Even the lawyers don't seem to want them to try to piece it together again."

Mrs. Peters said Una told her she had left Fine and was in hiding for fear of losing Schmidt's 21-year-old son Danny Jr.

"As soon as I put my nose out of hiding they will take away my baby," Mrs. Peters quoted Una. Schmidt's attorney, Howard P. Welch discounted talk of reconciliation.

DRIVER-ORATOR IS DEFLATED

OKLAHOMA CITY (AP) — Traffic Judge James Demopolos never had heard a speech quite like it, especially from a defendant.

"I'm appalled at the reckless driving on main street," said 26-year-old Charles Hamilton Keegan. "It sickens my heart. It makes me ashamed of my fellow man. I'm trying to do my part to help correct it."

"Why then are you charged with reckless driving?" asked Judge Demopolos, stirring uneasily on the bench.

"Because I saw a teen-aged boy who I knew," Keegan came back quickly. "He was driving recklessly. I was trying to catch him so I could take him some place and give him a quiet lecture on the principals of safe driving. You see, I've never received a ticket before in my life."

The judge whispered to his bailiff and shortly afterwards a file was brought into the courtroom. It showed that Keegan had been arrested six times for traffic violations during recent weeks.

"Is that your record?" asked the judge. "I guess so, your honor," Keegan replied.

He paid a \$20 fine.

Women Riot In Jail; 1 Escapes, 3 Caught

FRAMINGHAM, Mass. (AP) — State police kept a watch today at the women's reformatory where 50 inmates last night smashed windows, dishes and "everything breakable" in a wild riot.

Iris Allen, 26, of Fall River, serving a term for robbery, scaled a 10-foot barred wire fence and escaped during the riot. Three others who tried to escape were captured.

An inmate tipped officials to the breakout. Other inmates pounced on the informant scratching and beating her. Then they turned to smashing everything breakable in sight.

State police quelled the disturbance.

Paris (AP) — The French government today gave Sultan Mohamed Ben Moulay Arafat "a few more days" to form a broad Moroccan government that would put the protectorate on the way to home rule and quell mounting violence. The announcement was made after a four-hour Cabinet meeting over which President Rene Coty presided.

DAMASCUS, Syria (AP) — The Syrian Parliament elected 62-year-old Shukri Kuwaty, who returned from exile only last year, President of Syria today by a 91-41 vote. There were four abstentions and three invalid votes.

The President, deposed by a military coup in 1949, won his majority over Foreign Minister Khaled Azem on the second ballot.

GREENEVILLE, Tenn. (AP) — The farm to be a part owner of the farm where Davy Crockett was born?

An acre of the farm near here is being offered for sale at \$1 per square inch by New Frontiers, Inc., a Florida promotion group. Courthouse records show the acre was purchased recently by Joe Garrett Jr. of Miami for \$800. If every square inch were sold, the promoters would gross \$2,332,240.

A word of caution to prospective buyers: The deed states that each square inch is to be used for residential purposes only.

EX-CON SHOOT ROOKIE COP IN MOVIE GUN DUEL

CHICAGO (AP)—A 26-year-old ex-convict, hunted for the killing of a detective Monday night, shot and seriously wounded a rookie policeman in a gun fight last night in a movie theater.

The slayer, believed wounded, fled while some 250 persons watched the movie. Several screamed as shots exploded but there was no panic.

Police stepped up their search for the gunman, Richard Carpenter, who Monday night killed Detective William J. Murphy, 34, in a gun battle in a subway station.

Use 500 Officers
Nearly 500 officers were sent into the Northwest Side district around the Baltimore Theater, where policeman Clarence Kerr, 25, was shot last night.

"The gunman was Carpenter, and we know he is wounded," said Philip Bretzke, deputy commissioner. "He's somewhere around here, we know, and we'll get him."

Bretzke said there was a trail of blood from the theater aisle to the rear exit. Carpenter fled through the rear door after shooting Kerr in the chest.

Took Wife Out
Kerr, at St. Mary's Hospital, told Robert E. Ryan, deputy chief of the uniform force, that he and his wife Marion, 24, had gone to the theater. He believed a man in a nearby seat was Carpenter. He took his wife to their car and returned to the theater, sitting down in the seat next to the man he believed was Carpenter.

Kerr, with his gun in his hand, told the man: "You look like a man we are looking for."

The man replied: "All right, I guess you've got me."

Kerr, a member of the department only 10 months, ordered the

man to leave the theater with him. As they got to the main aisle, Kerr related, the gunman pulled a gun from under his shirt, whirled and fired.

Empties His Gun
The policeman emptied his gun at him, firing five shots at point blank range and the sixth as he fled to the rear exit.

After scores of police arrived, the theater was emptied and police started a house-to-house search of the district.

Carpenter, police said, was halted by Murphy Monday night for questioning in connection with a series of robberies of stores and taverns.

The U. S. Air Force is displaying two aircraft engines in Lincoln Square today. The display consists of an "exploded" J-47 jet engine and a cut-away R-3350 conventional piston engine installed in a trailer van. The Air Force engine shop is on tour to stimulate interest in the National Aircraft Show to be held at the Philadelphia International Airport over Labor Day weekend. The two engines will be on display here until 9 o'clock tonight. It is sponsored by the Adams County Civil Defense Council, headed by Burgess William G. Weaver.

The J-47 is a turbo-jet axial flow engine, made by General Electric. Its thrust rating is 5,000 lbs.; one pound of thrust equals one horsepower at speeds greater than 375 mph. It weighs approximately 2,500 lbs.

The J-47 is the powerplant for the Sabrejet F-86 fighter, the XF-91 high-altitude interceptor and B-45 Tornado light bomber. Four J-47s in wing pods provide additional power on B-36 intercontinental bombers for takeoffs and target runs. It powered the Sabrejet when it set the world speed record of 670.890 mph with a full combat load of armament and ammunition.

3 OWLS FROM DIXIE ON VISIT

Three summer boarders from the Southland have taken up residence at the farm of Earl Klunk, Freshman's Mill, a short distance north of New Oxford, and are being given considerable attention.

They have been identified as monkey-faced owls, a variety of barn owl which usually dwells in the South. The birds are similar to

the barn owl common to this area except for their faces which bear a striking resemblance to the face of a monkey.

Their plumage is mottled with buff and brown above and is chiefly white below. They feed on rodents and insects. The three birds at the Klunk farm are estimated to be four or five weeks old and perhaps a foot tall.

Rose Marie and Edward Klunk, children of the farm owner, discovered two of the owls on Monday and the third bird turned up Tuesday. They have taken up residence at a corner of the family mill, sheltered from the sunlight by weeds

and a large rain barrel.

Persons living in the neighborhood say that monkey-faced owls have been appearing in that area annually for the past decade. One seen last year on the Klunk farm had a wing spread of approximately four feet.

A study of typing operations shows that an average typist has about 268,000 carriage returns a year to return the machine to the left hand margin.

SAYS TRUMAN'S HELP WELCOME FOR CAMPAIGN

By JACK BELL

WASHINGTON (AP)—Sen. Capehart (R-Ind.) said today Republicans will welcome as an "asset" to them any campaigning former President Truman does for the Democrats in 1956.

"The American people have the utmost confidence in President Eisenhower and are perfectly satisfied with his record," Capehart said. "I don't think anything Harry Truman says will change their minds."

Truman said in a telephone interview last night he is going to "tear into the Republicans" in a series of speeches beginning at French Lick, Ind., August 27. He said he will talk politics at Mackinac Island, Mich. Aug. 29, in Detroit Sept. 5 at a Labor Day rally and at two subsequent Democratic dinners in California.

"We'll beat the Republicans with their own ammunition," he said.

Disclosing Nothing
"I am going to do all I can to help restore the government of this country to the people — I'll be available right along to the Democratic National Committee," he said.

"I'm not revealing my own ammunition," he added, but indicated he will talk largely about domestic issues.

Capehart said in an interview he thinks Truman's active entry into the campaign would revive the issues of "crony government" and "Democratic mess in Washington" used by the Republicans in the 1952 campaign.

"Truman's statements and speeches will be an asset to us," he said. "I wouldn't know what his issues will be but I don't think I want to go back to Trumanism."

Vermont Family Is Buried In Landslide

JONESVILLE, Vt. (AP)—A family of three was killed last night when they were buried in a landslide caused by heavy rains.

David Cutter, his wife Elsie, both about 40, and their daughter Patricia, 3, were watching sections of a bank wash away along the Winooski River when an embankment fell on them.

Fire fighters dug them out. The parents were dead. The child died a short time later in a Burlington Hospital.

The Sault Ste. Marie canal has handled a total of 4,288,434,396 tons of freight since it was opened.

Detroit Smacks Tribe While Boston Red Sox Snap Yankee Streak With Delock On Mound

By ED WILKS
The Associated Press

This American League race is so screwy even the contending managers are talking with tongues in cheek. Each one maintains his guys are going to win it, but none of them really sounds convincing.

Just a couple of days ago, Al Lopez of Cleveland, observing there were no pushovers in the league, figured there wasn't much chance of one club getting hot and racing off with the flag—but if any club could do it, his Indians could, what with their pitching and all.

And Chicago's Marty Marion, ever sure his White Sox will come out on top, nevertheless conceded he couldn't see all that New York talent going to rot.

Trouble From Tigers

Casey Stengel, meanwhile, patted his Yankees on the head and warned that the Boston Red Sox were not to be written off.

So what happens? Detroit up and busts Cleveland for the second straight day yesterday 9-5. It was the Tribe's third loss in a row behind the failures of its mound aces—Mike Garcia, Early Wynn and Bob Lemon.

And Boston, still persistent if not as consistent, wallops the Yanks off a seven-game streak 7-1 behind the excellent pitching of Ike Delock.

Yanks Still On Top

All of which left the Yanks just one game and three percentage points ahead of the White Sox, who were idle. Chicago is half a game up on the Indians who are but two games ahead of fourth-place Boston.

The Tigers whacked Lemon for six hits and five runs in three innings. That's the longest any of Lopez's Big Three has lasted in the last three games.

Jim Bunning gave up solo homers to Larry Doby, Bobby Avila and Gene Woodling, before Babe Birrer came on to win in relief. Al Kaline, back up to .350 to top major league hitters, and Bill Tuttle had three hits each in the Tigers' 14-hit attack. Cleveland used four pitchers for the third straight game.

Five Hits Off Delock

Hoot Evers, a regular break-and-sprains guy, suffered an eye injury when struck by his own foul in a pinch role for the Indians.

The Yanks, who three times have won seven in a row, this season, gave up their chance at eight straight as Boston scored five times in the sixth inning.

Grady Hatton and Jim Piersall laced Bob Turley for back-to-back triples to get the frame under way.

Delock, a 25-year-old right-hander who had failed against New York in two previous tries, checked the Bombers on two hits until the seventh when Elston Howard's double and a pinch single by Joe Collins scored the Yanks' run. He gave five hits for the night.

Orioles Rained Out

A two-night doubleheader between Baltimore and the Nats at Washington was rained out.

In the National League, Brooklyn lost its second straight to New York 5-1; Milwaukee homered past St. Louis 11-4; Chicago regained fifth place from Cincinnati 3-2, and Pittsburgh defeated Philadelphia 6-4.

Willie Mays led the Giants' attack with a triple, two singles and a walk and figured in all of New York's runs. Ramon Montant, going the distance for the first time in the majors, won his second while scattering eight hits and striking out eight.

Grand-slammer For Braves

Del Crandall's grand-slammer in the eighth put the Braves beyond reach, following earlier homers by Andy Pafko and Ed Mathews that had built a 5-4 lead.

Hank Sauer, only a sometimes starter with the Cubs these days, belted a pair of homers for all of Chicago's runs. Smokey Burgess hit a two-run shot in the first for the Redlegs before Bob Rush settled down for his 10th victory.

The Phils got three runs in the first, then Elroy Face knuckled down while the Pirates battled back with 16 hits, 11 of them off loser Curt Simmons. Richie Ashburn, tops in NL hitting, pulled a back muscle trying to beat out a hit and left the game in the second inning.

GOLF COURSE OPENS

The Briarwood Golf course, located five miles west of York along the Lincoln Highway, has been officially opened to the public. The 18-hole course has a par of 72 for men and 76 for women. C. H. Kilgus is manager for the new course and R. G. Kilgus is the superintendent.

Games Washed Out; Re-Carded Tonight

Rain washed out the two semifinal playoffs in the Softball League Wednesday evening with the result the contests have been rescheduled for this evening.

In the event continued inclement weather today forces another postponement the games will be played Friday evening.

The VFW and Texas Lunch will meet in the first game at 7 o'clock and the Moose and Eagles will clash in the second game.

Schenectady left-hander Marv Williams today stands among the select group of hurlers who have pitched a no-hit game.

He did it last night as he blanked the Eastern League Elmira Pioneers, 2-0, at Schenectady. He fanned five batters in succession starting with the final out in the sixth, and struck out 12 all told, giving up four walks.

The Reading Indians virtually assured themselves of the league crown by downing the runner-up Williamsport Grays in both ends of a doubleheader, 4-2 and 8-6. The Indians now hold a commanding 9½ game lead with less than three games remaining.

Williamsport still retains a one-percentage-point hold on second place, but third-place Binghamton picked up two full games on the Grays by virtue of a double victory over Albany 6-5 and 7-2. A scheduled Johnstown at Allentown game was rained out.

YESTERDAY'S STARS

By THE ASSOCIATED PRESS
PITCHING — Ike Delock, Red Sox, young right-hander held New York to two hits in first six innings, then relaxed to yield three more in 7-1 triumph.

BATTING — Hank Sauer, Cubs, belted two home runs for all Chicago's runs in 3-2 victory over Cincinnati.

OPEN SEASON ON GAME BIRDS IS EXTENDED

HARRISBURG (P) — This year's hunting season on duck, geese, brant and coot will run from Oct. 10 to Dec. 17, 10 days longer than originally planned.

The State Game Commission set the dates yesterday after receiving approval of the U.S. Fish and Wildlife Service for a straight 70-day season.

The dates were recommended by the state commission and approved by the federal agency because of an expected larger crop of birds this year.

The bag limits:

Ducks—Daily, 4; in possession, 8 after the first day. The daily bag limit may include one wood duck. Two wood ducks may be in possession after the first day, and one hooded merganser, daily or in possession, as part of the total bag.

American and red-breasted mergansers also are to be included in the bag limits for other ducks this year.

Two Geese Daily

Geese (except snow geese)—Daily bag 2; possession limit, 4 after first day.

Coots—Daily bag and possession limit, 10.

Brant—Daily and possession limit, 6.

Wilson's or jacksnipe season (Oct. 1-15)—Daily bag and possession limit, 8.

There is no season this year on snow geese and swans.

Four Reach Semi's In VFW Baseball Play

HERSHEY, Pa. (P)—Four championship flight teams turned into the semifinal round of the Veterans of Foreign Wars National Teen Baseball Tournament today.

Games slated for this afternoon included Beatrice, Neb., against Clovis, Calif., and Johnston, R. I., against Gloucester, N. J. The winners of today's games will meet Saturday for the national title.

In a consolation round of games yesterday, Billy Reynolds pitched the second no-hitter of the tournament as his Chicago Heights, Ill., team, defeated Winooski, La., 4-3, in a game marked by errors and wild pitches.

Earlier, Chicago Heights and the Canal Zone slammed out victories over Struthers, Ohio, and Gastonia, N. C. The Canal Zone beat Struthers 16-7 while Chicago Heights whipped Gastonia 6-3.

SATTERFIELD IS GIVEN DECISION OVER N. VALDES

CHICAGO (P)—Bob Satterfield, the unpredictable heavyweight slugger, pondered over his in-and-out fistic progress today after scoring a unanimous decision over Cuban Nino Valdes a leading contender for Rocky Marciano's title.

Satterfield dealt the giant Valdes his 10th defeat in 45 bouts last night in a nationally televised 10-rounder at Chicago Stadium.

In a bout that very few observers thought would go the limit, since both men had 75 per cent knockout averages, Satterfield hammered Valdes to the floor in the final round, but he couldn't keep him there. The Chicago Negro, outweighted 32 pounds and a 3-1 underdog, won a unanimous decision.

Wide Weight Spread

Satterfield weighed 183; Valdes 215.

Before last night's bout Valdes had won 23 of 33 fights by knockouts and was ranked No. 5 among heavyweight ring contenders. Satterfield has scored 30 knockouts in 38 victories. He has lost 19.

At the start of the 10th round Valdes and Satterfield raked each other with short blows when Satterfield suddenly backed away and swung widely to his opponent's head. The blow glanced off Valdes' shoulder and he slipped to the floor. He was up in an instant, and there was no count.

Down But Not Out

Later Satterfield uncorked a left hook that caught Valdes flush on the jaw. He then followed with a stinging right to the face.

Valdes dropped to the floor on his haunches. He was up at the count of five, but took a mandatory eight count.

Satterfield rushed in, both fists hammering at Valdes' face, which was a mass of blood. But he couldn't put the big Cuban down again.

Alston Gives Shakeup Talk

NEW YORK (P) — The pennant bound Brooklyn Dodgers, comforted by a 14-game lead, experienced their first shakeup of the season today after a disturbed Walter Alston reportedly gave them what was termed in some quarters a "you-better-wake-up" speech.

Alston, after seeing his Dodgers stagger through one of their most listless performances of the season in last night's 5-1 loss to New York, announced he was making a couple of changes for today's series finale against the Giants.

The manager said Junior Gilliam would replace Don Zimmer at second and Jackie Robinson would be in left field instead of Sandy Amoros. He also had a few choice words to say to a couple of unidentified Dodgers who, incidentally, were not the benched athletes. No Dodger would admit there was a speech by Alston, let alone disclose its text.

See Minor League Changes In South

COLUMBIA, S.C. (P)—There may be some realignments in minor league baseball memberships in the Southeast next year.

At a conference here yesterday, President George A. Trautman of the National Assn. of Professional Leagues said only the leagues and their individual member clubs can make any realignment decisions.

Trautman remained in Columbia today for private conferences with league presidents or club officials who wanted to talk with him.

He described yesterday's discussions as "exploratory."

COLTS HOST TO FT. BELVOIR AT WESTMINSTER

WESTMINSTER, Md. — Just as soon as opportunity permits, and that means this coming Saturday night, the Baltimore Colts will take an extensive look at their five most highly-prized rookie prospects.

Coach Weeb Ewbank has plans for using Puddack Alan (The Horse) Ameche; Quarterback George Shaw; Center Dick Szymanski; Guard Jack Patra, and Halfback L. G. (Long Gone) Dupre, hero of the College All-Star game last Friday night, when the Hossees take on the Fort Belvoir Army team in an 8:30 p.m. exhibition at the Westminster High School Field.

Whether they will be installed as starters isn't known, but Ewbank will have them playing most of the way against the Soldier team from Virginia. All five were on the College All-Star squad which upset the Cleveland Browns last Friday and, thus, missed over three weeks of early training with the Colts.

Ameche, college football's "player of the year" from Wisconsin, and Szymanski were good enough to break into the Stars' starting lineup. Indeed, one member of the College All-Star coaching staff, prior to the game, said flatly that "Szymanski is the best all-around prospect in this camp."

In the game, though, Dupre was the real eye-catcher, as he rambled for 14 yards in 12 carries and 49 more yards on three pass catches. Any wonder, then, that Ewbank wants to see Dupre, Ameche, Szymanski, Patra and Shaw with his own eyes.

Fort Belvoir will have seven ex-pros in its lineup, including Washington Redskins halfback Billy Wells and Pittsburgh Steeler end George Tarasovic.

On Saturday afternoon the Colts will inaugurate "Family Day," when the training camp is thrown open to visitors for autographs, picture taking and conversation with their favorite Colt players.

Admission to the game is \$1.00 and \$1.25 but the "Family Day" program is free. "Family Day" festivities will begin at 1:30 p.m. and last for approximately two hours.

BLAME "GIRLS" FOR RATE JUMP

PHILADELPHIA (P)—Last year's Hazel and this year's Connie, two vexatious hurricane gals, are being blamed for a four-cent rise in Pennsylvania storm insurance premiums and a mandatory \$50 wind-storm deductible clause.

Talking behind the girls' backs is the Middle Department Assn. of Fire Underwriters. The Association said yesterday that a state rate of 10 cents a \$100 in storm insurance premiums will go into effect this week, along with the deductible clause.

The Association said thousands of claims are reported after a hurricane and that the changes were needed to offset "excessive" losses. It gave no estimate of damages from either Hazel or Connie.

PHILADELPHIA (P)—Chief justices of the 48 state supreme courts meet in Philadelphia today for the start of their seventh annual conference on the nation's judicial system.

Chairman of the conference is Chief Justice Carl V. Weyand of Ohio, who will deliver the main address Saturday on "our challenged bench and bar."

The justices will participate in the American Bar Assn.'s session on judicial administration next week. The bar association begins a week-long convention Monday.

FISHING THE HARD WAY

RICHMOND, Va. — Homer C. Babcock was fishing in Holladay Lake near a swimming pier. A big bass wrapped his line around a small piece of brush. Babcock called to L. D. Ould, a lifeguard, but Ould couldn't help because of the women and children in the water. When the swimmers departed, Ould broke off the branch. Babcock played the tired fish and landed it eight pounds, two ounces.

There usually are at least five locks on every auto.

GOLFER SIFFORD SURPRISES IN CANADIAN OPEN

TORONTO (P)—If Charlie Sifford can push his luck again today he will send the Canadian Open Golf championship chase into another tailspin.

The betting is he won't. His record doesn't say so. Just the same, the jazz-minded United States national Negro champion from Philadelphia pranced on the Weston Club course yesterday humming snatches of music and fired a sensational first round 63, nine under par.

This figure equalled the Canadian Open record for any one round. It sent the fans into a brand new dither only a few minutes after word got around that little Jerry Barber of Laguna Beach, Calif., had shot a hole in one at the 130-yard par three fourth.

The Philadelphia's 63 stood up despite everything the highly-favored American pros—plus a superbly by Vancouver's Stan Leonard could do.

Palmer At 64

One stroke back, with 64, was Arnold Palmer, last year's U.S. amateur champion from Latrobe, Pa., and now a pro, and at 66 came Leonard along with Fred Hawkins of St. Andrews, Ill., and Tommy Bolt of Chattanooga, Tenn.

Four more cashed in with 67's—Barber, Art Wall Jr., of Pocono Manor, Pa., Jackie Burke Jr., of Kiamnesia Lake, N. Y., and a surprise-package Canadian, 27-year-old Bob Dean of Cornwall, Ont.

Mike Souckach, Berwick, Pa., had a 68; Bob Schoener, Allentown, Pa., had a 70 and Ed Miller, Danville, Pa., shot an 81.

AMBASSADOR'S WIFE CAN BAIT HER OWN HOOK

WASHINGTON (AP) — The wife of the new Greek ambassador and I have something in common—fishing. She baits her own hook too.

Slight brunette Mrs. George V. Melas speaks fluent English. Has a capacity for making friends and has already adjusted herself to her busy life in the nation's capital. She was enchanted with the recent flowering of the cherry blossoms and darted around town taking color movies of the show to send home.

"I love Washington," she told me. "It grows on you. The more you stay the more you love it. I can't wait to have my sons come here for a visit."

Leone, 27, the eldest son is in the cotton business with Mrs. Melas' brother, Constantine Salvado, in Alexandria, Egypt, where she was born. The younger son, Micky, 25,

is graduating this year from a law course at the University of Athens. The boys never have been to the United States, though she was here for a brief visit in 1947 while her husband was a delegate to the United Nations.

During the war Mrs. Melas was a volunteer Red Cross nurse and worked in hospitals in Greece. More recently she has been occupied with day nurseries for children of working mothers. She is president of a group of five nurseries in and around Athens, one of which was built in 1927 by her grandparents.

Likes Music
She is keen about music, especially that of Beethoven, Chopin and the Spanish composers, and she used to play the piano. She also found time for gardening, but for relaxation she likes fishing. During summers at home the Melas family go to their house at Kavouri by the Mediterranean.

"My husband and I often go out in our rowing boat—with a motor and fish," she says.
Mrs. Melas finds the pace in America somewhat more rugged than at home. She admires American women's energy and capacity for

TESTS FOR SCIENCE

NEW HAVEN, Conn. (AP) — Psychological tests administered to grammar school children, could, in time, alleviate the shortage of scientists in the United States, says Frank Auld Jr., assistant professor of psychology at Yale. These tests, Auld adds, would show which children have the talent required for a scientific education.

getting things done—"How they keep it up the year around their homes. Their work outside, their social life, it's remarkable."

Greek women, however, are becoming more and more active in public life, especially since they received the vote last year. "The people of Greece and the United States all believe in the same thing," Mrs. Melas said—"Freedom and the right of every citizen, rich and poor alike to live, to get an education, to work."

Former Paratrooper Now Jumps For Fun

GRAND HAVEN, Mich. (AP) — Steve S. Malsam, 26, was a paratrooper in the Korean War and he's still jumping. He says there are only three men in the country who go up in balloons and parachutes to earth as an entertainment stunt. He is one of them.

He's a welder in cold weather but gets a leave of absence from his job to do his jumping in the summer. Although he gets up to \$300 for each leap, he says the real reason he does it is because it is fun. Expenses are high. His balloons cost \$800 to replace and parachutes cost \$100 apiece.

He does stunts on a trapeze as the hot-air-filled balloon rises, then lets go and falls free for 800 feet before opening his chute.

That free fall takes about 28 seconds, he says. He carries a little bag of flour to make a trail in the air.

Richmond Teacher Has Painful Duty

RICHMOND, Va. (AP) — Bernard S. Holt, for exceptional devotion to duty, had a pain in the jaw.

Holt, partner in an investment firm, was conducting a weekly class on stocks and bonds at Mary Munford School. About 400 Richmonders attended each Wednesday night. Just before class time he developed an agonizing ache in a wisdom tooth. The dentist couldn't guarantee his ability to talk in time for the class if he had it pulled.

So — Holt had the dentist wait until the class ended.

Farms, Teaches And Studies In Spare Time

DECATUR, Mich. (AP) — The Rev. Henry Houseman is supply minister of the Methodist Harmony Chapel, but that isn't all.

Farmer Houseman raises muck crops as a part-time occupation on his small farm.

Teacher Houseman goes over "readin', writin', and 'rithmetic as principal of Decatur High School — a post he's held for 28 years. Meanwhile, in his spare time, 58-year-old Houseman continues his studies as a candidate for full ordination as a Methodist minister.

EXPENSIVE FISH

ELIZABETHTOWN, Ky. (AP) — Dr. M. J. Noel found a new way to catch fish but it was expensive.

He parked his 1955 model car near a river and the machine rolled down a steep shore into the water. When a wrecker retrieved the car, two fish were found inside.

ADDED COINCIDENT

MOONDRIDGE, Kas. (AP) — Herman Krebbel and Sylvanus Stucky, cousins, always thought it was quite a coincidence that they were born the same day. Then both turned up at the hospital for similar operations — both for the second time, the same week and by the same doctor.

FOUR-PROFESSION MAN

ELLOREE, S. C. (AP) — Dr. M. S. Dantzier holds licenses to practice four professions. He's a pharmacist, neuroathic physician, optometrist and chiropractor.

Amateur Grenadier Is Sentenced To Church

COLUMBIA, S. C. (AP) — A man who flourished a hand grenade when Richland County deputies went to arrest him has been put under a peace bond with the stipulation that he attend church or Sunday school each Sunday with his family for one year.

Magistrate Cal Lawlor sentenced him to serve five days or pay a \$5 fine. The man's wife is to report each Monday whether he went to church the previous day. There is also a suspended sentence of 30 days in jail or a \$100 fine.

The officers said they were called by the man's wife. He pulled the pin of the grenade which failed to go off because it did not contain any powder.

MOTHER HOPES SCHMIDT WILL RETURN TO UNA

PORTLAND, Ore. (AP)—The mother of Airman Daniel C. Schmidt says she has not given up hope of a reconciliation between him and his remarried wife Una.

The mother, Mrs. Nellie Peters, 43, said last night she would have to hear it from her son that he definitely was through with his wife.

"Danny never said anything like that to me," said Mrs. Peters, who has talked to her son by telephone since he came home to find Una married to another man. Mrs. Peters has not heard from Schmidt for several days but expects him to visit her soon.

She recalled that her son told her he was going to work out the problem himself but "now others have entered the picture and it doesn't sound like Danny any more."

Mrs. Peters was referring to a statement by Schmidt's attorney Howard Welch, of Sacramento, that Schmidt had made up his mind he does not want a reconciliation.

Lawyers Won't Try
"There has been no one trying to get them back together," she said. "Even the lawyers don't seem to want them to try to piece it together again."

The former Mrs. Schmidt said she remarried in the belief Schmidt was dead. The young airman was recently released from Red Chinese captivity.

According to Mrs. Peters, Una telephoned her Monday and asked for her help in seeking "Danny's forgiveness."

"She was scared stiff . . . She's just a confused kid of 19," Mrs. Peters said. "Maybe she made a mistake—but I can't help think of what Christ said of another who made a mistake. He said let him without sin cast the first stone."

The airman's mother quoted Una as saying she had left her second husband, Alford Fine, and was in hiding with hers and Schmidt's 2-year-old son.

"She told me," Mrs. Peters said, "as soon as I put my nose out

New Military Code Calls On Captured Men To Withstand Enemy Pressure To The Utmost

By C. YATES McDaniel

WASHINGTON (AP)—A new military code calls on every captured fighting man to withstand enemy pressure to the utmost, but to avoid at all costs disclosure of vital military information and disloyalty to his country or his comrades.

Drawing on experiences in the Korean War, it recognizes that physical and mental torture can force a man to the breaking point. It proposes idealistic standards and indoctrination to keep that breaking point high.

President Eisenhower proclaimed the new code yesterday and directed the military services to train all men to stand up to it, both in combat and in captivity.

5 Point Code
It says that every American fighting man should be prepared:

To give his life for his country.
To refuse to surrender on his own initiative.
To continue resistance to pressures after capture.
To keep faith with his fellow prisoners.

Holds To Lofty Ideals
The code holds to the loftiest ideals of bravery, but recognizes, as Gen. John E. Hull phrased it, that "any man can be broken if enough pressure is put on him."

Hull, one-time supreme commander in the Far East was vice chairman of a committee of retired officers and civilian officials which drew up the code and an accompanying report.

It officially relaxes for the first time the old requirement that a man give his captors only his name, rank and serial number.

That remains the first line of defense, to which he should hold if he can. The code calls on him to avoid answering other questions "to the utmost of my ability."

Final Line Of Resistance
The report says he should stand "on the final line of resistance to

of hiding they will take away my baby."

the end—no disclosure of vital military information and above all no disloyalty in word or deed to his country, his service or his comrades."

The framers of the code noted that because modern warfare may reach "the doorstep of every citizen," it may well become a code "for all Americans if the problem of survival should ever come to our own main streets."

The presidential order directed the military services to start "specific training" for all ranks as soon as possible in ways and means to prepare Americans to resist pressure and foil enemy interrogators. But the defense report stressed the necessity for the training in Americanism to start in the homes, the schools and the churches, saying that by the time a man gets into uniform his character is pretty well established.

Reject Spartan Code
Balancing this demand for responsibility on the part of the military man is the defense report statement, backed up by the President himself, that the "United States will never forget and never forsake him and that it will win the ultimate victory."

The framers of the code drew upon the advice and personal experience of many experts, including Americans who survived the worst that the Communists could do to them in Korea. The committee rejected as impractical the "Spartan code of silence" that would demand of a prisoner that he say absolutely nothing to his captors.

Young Fisherman's Body Found On Beach

BEACH HAVEN, N.J. (AP)—Coast Guardsmen found the decomposed body of a young man washed up on the beach at Holgate yesterday, and it was identified as that of Marvin Tucker Jr., 24, of Chesterfield.

Tucker and 15-year-old Joseph Scelfo of Tuckerton had been fish-

ing aboard a skiff last week. The skiff was found Friday in heavy surf near Little Egg Harbor.

Scelfo's body washed ashore at Brigantine Sunday, and his death was listed as a drowning. Tucker's family claimed the body found yesterday but state police took fingerprints and sent them to Trenton for positive identification.

COLUMBIA, S. C. (AP)—Some out guards. But penitentiary officials didn't overlook the possibility that their white-clad men might wander away and lose their identity among white-clothed citizens. They put a black stripe down the trouser legs. The new togs for the prison elite replace the old blue denim or the black and white horizontal stripes.

NEW PRISONER CODE STRESSES FORBIDDEN ACTS

THE WORLD TODAY 396

By JAMES MARLOW

Associated Press News Analyst
WASHINGTON (AP) — Under the new code of military conduct the armed forces keep a stiff grip on a club to hold over the head of any captured American who collaborates with the enemy or hurts his fellow prisoners.

This new code proclaimed yesterday by President Eisenhower, was put together by a committee of government officials and top retired officers.

After the spectacle of some American prisoners of war in Korea collaborating with the enemy or mistreating their fellow prisoners, Secretary of Defense Wilson created the committee to produce a guide for future POW conduct. The code, issued yesterday, recognizes that prisoners have a breaking point under mistreatment or torture, as explained in point No. 5, the most important of the six-point code:

Few Answers
"When questioned, should I become prisoner of war, I am bound to give only name, rank, service number and date of birth. I will evade answering further questions to the utmost of my ability."

But this cannot be interpreted as a go-ahead for a prisoner to help the enemy in any way for the explanation attached to point No. 6 says such help is forbidden. This is the language:

"Oral or written confessions true or false, questionnaires, personal history statements, propaganda recordings or broadcasts, appeals to other prisoners of war, signatures to peace or surrender appeals, self-criticisms or any other oral or written communications on behalf of the enemy or harmful to the United States . . . or other prisoners are forbidden."

This seems to be a clear warning to any serviceman taken prisoner that, while it is understood he may crack, he will still be held responsible for whatever he does and the armed services will decide what to do about it.

A Middle Road
The committee made it clear it attempted to hit a middle road between the extreme points of view: (1) don't tell the enemy anything, and (2) tell him anything in order to avoid punishment.

But the language of the explanation to point No. 5 seems plainly to say that the armed forces will suit themselves on how they deal with a returned American prisoner of war who collaborated with the enemy in any way.

The report seems to hint—but this has to be considered carefully—a man will not be court-martialed for disobeying point No. 5 if he was badly mistreated.

Reviewing the number of men court-martialed for dealing with the Red Chinese while in their hands, the report says: "No case was brought for court-martial in which there was evidence of duress, brainwashing or any other type of coercion."

The phrase "in which there was evidence" is the key one there. The armed forces will decide on what "was evidence" of brainwashing or duress.

JETS SET NEW WORLD MARKS

AUSTIN, Tex. (AP)—Refueled in flight, 10 F4F jet fighters flew from an American base in England to Austin yesterday 10 hours 46 minutes, breaking two world's records.

One of the records was for time, the other for nonstop mass flight distance.

The fighters averaged 460 miles per hour for the 5,118-mile trip from the English Midlands to their station here at Bergstrom Air Force Base. They refueled in flight.

Col. Richard N. Ellis, 39, led the Thunderstreaks.

The flight began with 12 aircraft but two landed at Barksdale Air Force Base, Shreveport, La., and trailed the other 10 home. No reason was announced for the landings.

Railfall reaches as much as 140 inches a year on mountain slopes of the Olympic peninsula in Washington, says the National Geographic Society.

Miniature Auto Gets Cripples Into Parade

LAPEER, Mich. (AP)—A 7-year-old Lapeer girl and her 3-year-old brother have switched from a wheelchair to a miniature automobile. They are Kay and Jim Brown and they suffer from Oppenheim's disease, a muscular ailment that prevents them from walking or standing.

Beauford Miller, 39, a worker in a Flint auto factory, heard how they always had to sit on the sidelines when other Lapeer children paraded to opening of the town's playground for the summer.

Miller enlisted the aid of several fellow workers and built Kay and Jim a car. They made most of the parts for the one-horsepower engine by hand. The car has forward and reverse gears and a complete lighting system that works. A governor keeps the speed down to 3 m.p.h. Two thousand spare time hours went into its construction.

MUMMASBURG—Mr. and Mrs. Guy Fidler and daughter, Leura, Malinda and Delores, and son, Raymond, Mr. and Mrs. Clyde Dugan and daughter, Jean, and son, Harold, Mrs. Roy Dugan, Mr. and Mrs. Charles McCadden and son, William, Mr. and Mrs. George Gaither and daughter, Lois, Mr. and Mrs. Willis Bream, Mr. and Mrs. James Heller visited Sunday at the home of Mr. and Mrs. George Herring and son, John, Harrisburg, accompanied by the Herring family. They all visited at East Waterford and had dinner at the American home.

Mr. and Mrs. Glenn Emlet and daughter, Jane, and son, Rodney, Wrightsville, were Sunday visitors at the home of Mr. and Mrs. Sterling Wilson and family. They were accompanied by Richard Wilson who spent the past week at the Emlet home.

The Misses Hazel Beamer, Darlene Plank and Doris Longenecker are spending the week at the Church of the Brethren Camp Swatara, Bethel, Pa.

Dinner guests Sunday at the home of Mr. and Mrs. Jere Keefe and son were Mr. and Mrs. Walter Keefe and Mr. and Mrs. John Porter, Chester County. Other visitors at the Keefe home were their two daughters and families, Mr. and Mrs. James Crouse, Allentown, and Mr. and Mrs. Richard Hall and children, Cynthia and Gerard, Chambersburg.

Mrs. Rebecca Stull and daughters, Lorena, and Mr. and Mrs. David Matthews attended the Monn reunion held at Mt. Alto Sunday.

Mr. and Mrs. George Bowling and children, Marie, Louise, Donald, Ruth Ann and Keith and Miss Lois Hartman visited over the weekend with Mr. and Mrs. Clair Raffensperger and family at their cottage at Ocean City, Md.

Mr. and Mrs. Charles Wellman, Baltimore, were Sunday visitors at the home of Mr. and Mrs. Dwight Rhehart and family.

Good Samaritans Not Appreciated
OCALA, Fla. (AP)—Good Samaritans get their rewards in the long run, no doubt, but the immediate results were disappointing to a pair of motorists who tried it.

Drexel Nichols stopped to help a man whose car was disabled. Another car ran off the road to avoid Nichols' stopped car and Nichols was charged with illegally parking on a highway.

Mrs. Thelma Nettles had a similar experience. She pulled to the left traffic lane in preparation for towing a stranded motorist out of the ditch. Another car collided with Mrs. Nettles' and she, too, was charged with illegally parking on a highway.

MOUNT ALUMNI HONOR TEACHER AT JIM THORPE

Members of the Anthracite Chapter of the Mount St. Mary's College Alumni Association will honor Professor Dominic G. Greco, head of the biology department at the college at a testimonial dinner at Gabe's Restaurant, Jim Thorpe, Pa., Saturday, August 20. Greco, a native of Nesquehoning, Pa., has been a member of the Mount faculty for twenty-five years.

He was educated at the Catholic University of America, Washington, D. C., from which he was graduated in 1928. Following graduation he taught biology for a year at Xavier University, Cincinnati, O. He then continued his studies at Columbia U., New York City, receiving his M.A. in 1930. He joined the Mount St. Mary's faculty in September, 1930.

Married to the former Laura Pauff, of Nesquehoning, Greco is the father of two sons, George and William. George, after three years' presidency at Mount St. Mary's, is now a junior at the University of Maryland. Bill, a June graduate of St. Joseph's High, Emmitsburg, enters Mount St. Mary's this fall as a freshman. Both boys were members of the St. Joseph basketball team and active in other pursuits.

Active In Many Fields
During World War II, when Mount St. Mary's students were in the main either V-5 or V-12 students, Greco was in charge of communication for the Navy V-5 students, handling all the Morse code demanded by the Navy for fledgling pilots.

In addition to his teaching duties at Mount St. Mary's, Greco is a member of the science committee which screens applicants for professional schools. He has also served on the library and dance committees. Earlier he coached boxing at the Mount until the sport was discontinued, having been one of the top intercollegiate fighters while he attended Catholic U.

Active in civic affairs, he is a frequent speaker at many meetings of local organizations. Interested in athletics and the welfare of Emmitsburg youngsters, he is largely responsible for the success of the athletic program at St. Joseph's High School where he serves as athletic director. He has also headed the St. Joseph's PTA.

Few professors at the Mount are more genuinely respected by the students. Through the years Professor Greco has always been available to handle student problems both at school and at his home just opposite the new St. Euphemia Cemetery on route 15. Almost any day during the school year you can find students perched on his steps talking over personal problems. And when the alumni return for Homecoming or Exi Week, Greco is one of the first teachers they seek out.

Highway PO Truck To Begin Service

A new highway post office truck will begin operating out of the Taneytown Post Office Saturday, carrying mail directly to Baltimore and Martinsburg, W. Va. Similar to the Highway Post Office currently operating between York and Washington, it is expected to provide speedier handling of both incoming and outgoing mails.

Home From Europe

Miss Elizabeth McCullough, daughter of Prof. R. J. McCullough, Mt. St. Mary's College, has returned from an extended European tour.

Sailing from New York on the S.S. Maasdam of the Holland-American Line on June 16 she arrived at Le Havre on June 24. Her itinerary included Paris, Nice, Naples, Rome, Florence, Venice, Lucerne, Cologne, Amsterdam, Harwich, and London. While in Rome, Miss McCullough was in a small group to have an audience with the Pope and to receive his blessing.

Prof. McCullough met his daughter in New York and accompanied her home. She is a graduate of St. Joseph's College in 1952 and is employed at the Harriet-Lane Hospital, Baltimore.

VIGILANT HOSE MAKES REPORT

Thirty-six members were present Tuesday evening for the monthly meeting of the Vigilant Hose Co. held in the fire hall, Vice President J. William Rowe presiding in the absence of President Herbert W. Roger, who is vacationing.

Ronald Kelly, chairman of the recreation committee, reported the floor in the recreation room has just been painted. Fire Chief John S. Hollinger reported four fires attended during the past month. Three were field fires and one an oil burner.

Plans were made for the group's annual outing which this year will be held in the grove adjacent Community Field. One new member, Robert Gelwicks, was granted membership, and the application for membership of William Rodgers was received.

The committee in charge of the sale of fire extinguishers reported that to date 148 of the devices had been sold. Preparations are being made for the beginning of a 20-week instruction course in advanced fire fighting, under supervision of instructors from the University of Maryland Extension Service.

Postmaster J. F. Burke who announced the new service, invited the public to participate in the truck's inaugural trip Saturday at 9:22 a.m. Mail carried on this initial trip will be restricted to first-day covers. A formal dedication ceremony and public inspection of the vehicle will be held.

Regularly scheduled service for the new Highway Post Office will begin Monday.

FREDERICK CO. PUBLIC SCHOOLS LIST CALENDAR

Public schools of the county will open the new school year on September 7—the Wednesday after Labor Day, it was announced by the Frederick County Board of Education. Principals and teachers will report to the schools on Tuesday, Sept. 6, to prepare for the opening.

Meetings of county teachers will be held this year on Thursday, Friday and Saturday, Sept. 29, 30, Oct. 1. Schools will close on Sept. 29-30. Further plans for these meetings will be announced.

The remainder of the holiday calendar for the schools during the coming year is:

Friday, October 7, Frederick Fair. Thursday and Friday, October 20 and 21, State Teachers' meetings in Baltimore, which continue Saturday, October 22.

Thursday and Friday, November 24 and 25, Thanksgiving.

Friday, Dec. 23, through Monday, Jan. 2, Christmas holidays. School ends with close of school day Dec. 22 and reopens Jan. 3.

Thursday and Friday, March 29 and 30, Monday, April 2, Easter holiday.

Wednesday, May 30, Memorial Day.

Friday, June 8, end of 1955-56 school year (tentative depending upon whether winter weather closes schools forcing "making up" sufficient days to round out the 180-day requirement.)

Sharpe Presides At Lions Club Meeting

Bucher's Restaurant was the scene of the regular meeting of the Emmitsburg Lions Club held Monday night. Vice President Philip B. Sharpe presiding in absence of the president, Cloyd W. Seiss.

Two guests from Taneytown, Lions Stonesifer and Rev. Edmund P. Welker, were present. George L. Wilhide, chairman of the recent picnic committee, gave details of the affair and also reported on the dime bank plan which the club has in progress for the benefit of the Warner Hospital.

A \$25 donation was granted the Boy Scout's general treasury.

Surgeon Pleads No Defense In Tax Case

PHILADELPHIA (AP)—Philadelphia surgeon Harry A. Salzmann, 53, pleaded no defense yesterday to two counts of a five-count indictment for tax evasion. The government said it would drop the other three charges.

U.S. District Judge George H. Boldt of Seattle, substituting for Judge Thomas J. Clary, set Monday for sentencing by Judge Clary. The maximum sentence would be \$10,000 fine and five years' imprisonment.

Salzmann pleaded no defense to charges of evading \$2,800 in taxes in 1949 and failure to file a return in 1951. The government said it would drop charges that he evaded approximately \$3,000 in 1950 and 1952 and that he failed to file a return in 1949.

VFW AUXILIARY HOLDS MEETING

The monthly meeting of the VFW Auxiliary was held recently with Helen Sanders, president, presiding. Eleanor Burk's name was submitted for membership and she was elected. It was announced the VFW Family Outing will be held at Gwynn Oak Park on September 10. Tickets may be secured from Rosemary Mick at the price of \$1.

The president reported that the bingo party held July 23 netted \$72.04. The Post will hold its annual block party on August 27 and the Auxiliary will have charge of the refreshment stand, cakes and candy.

The annual card party is scheduled for October 11. Mary Hoke and Jane Gingell were appointed for men's refreshments for September, and Etta Mae Norris and Blanche Keilholz were appointed for women's refreshments for the next meeting. Betty Messner's name was called for the draw prize, but was absent.

Personal Items
Mr. and Mrs. John J. Crumlish and family, of Baltimore, visited at the home of Mr. and Mrs. C. G. Pringle one evening last week.

Mr. and Mrs. Stewart Hooper and daughter, Julia, of Baltimore, were recent visitors at the home of Mr. and Mrs. Raymond Baumgardner. Lieut. and Mrs. James Baumgardner and daughters, Joan and Lisa Lee, of Arlington, Va., spent the weekend with Lieut. Baumgardner's parents, Mr. and Mrs. Raymond Baumgardner.

Mr. and Mrs. George Eberhart, of Gettysburg, were dinner guests with Mr. and Mrs. C. G. Pringle at their home on Sunday.

Travelers' Reunion
Thirty-two families representing the Frederick and Carroll County Farm Bureau, who had taken the Farm Bureau "trip to New York," in the spring, enjoyed a reunion in the form of a picnic, at Pipe Creek Park, near Taneytown, on Sunday. Those who attended from Emmitsburg were: Mr. and Mrs. John Baumgardner and family; Mr. and

Mrs. Raymond Baumgardner and Mr. and Mrs. Claude DeBerry and family.

Mrs. Rachael Rickards, of Baltimore, is visiting at the home of Mr. and Mrs. J. Harry Scott.

Mr. and Mrs. Thomas Dillon, Silver Spring, visited Dr. and Mrs. John J. Dillon on Saturday.

Miss Judy and Alice Dillon returned with their parents in Silver Spring, Md., after having spent the week with their aunt and uncle, Dr. and Mrs. John J. Dillon.

Mrs. Bruce Smith, Mrs. Rachael Rickards, and Mrs. J. Harry Scott spent Tuesday afternoon in Waynesboro.

The annual church picnic of St. Anthony's parish, which was rained out on Saturday, was held on Sunday. A large number of former local residents attended the affair held in the church grove.

The Rev. Stanley Scarff, of Baltimore, former pastor of St. Anthony's, visited here on Saturday.

Miss Janet Brotherton, Baltimore, is spending some time at her home near Emmitsburg.

Mrs. Thomas Bosley, Glen Arm, Md., entertained at a birthday party for her sister, Mrs. Jerry Hoskins. Mr. and Mrs. Raymond Baumgardner, Lt. and Mrs. James Baumgardner and daughters attended the celebration. Mrs. Bosley and Mrs. Hoskins are daughters of Mr. and Mrs. Raymond Baumgardner.

Mr. and Mrs. Wayne L. Smith, Baltimore, and Mr. and Mrs. Harry Valentine, Thurmont, were recent visitors at the home of Mr. and Mrs. J. Harry Scott and Mrs. Bruce Smith, Emmitsburg.

A bus load of local residents attended the double-header baseball game between the Baltimore Orioles and the New York Yankees, Sunday afternoon.

CITIZENSHIP DAY

HARRISBURG (AP)—Gov. Leader has designated Sept. 17 as Citizenship Day in Pennsylvania. "To enkindle a deeper appreciation among all our fellow Americans of the historic event of the signing of the Constitution of the United States in 1781."

4-H CLUBBERS ATTEND COUNTY CAMPFIRE MEET

The regular meeting of the Emmitsburg 4-H Club was held last Friday at the Norman Shriver's cottage, with Norman Shriver Jr. presiding. It was decided to postpone the visitation project from August 6 to September 10.

John Krom, Richard Swormley and Morris Zentz Jr. are representing the club in dairy cattle judging. Many 4-H club members, parents and friends invited attended the country campfire meeting August 17 at Allen Flanagan's farm, Woodboro.

It was reported that all 4-H record books are due in Mr. Stansfield's office by September 1. Otherwise

members will not be permitted to participate in any club events. Books may be returned to Mr. Shriver or Mr. Florence.

Joyce Meadows was elected reporter. The next meeting will be held at the home of Mr. and Mrs. Meadows, the former Morris Zentz farm.

1,570,000 Dwellings Predicted By 1960

PHILADELPHIA (AP)—The greater Philadelphia Chamber of Commerce says the 11 counties in the Philadelphia area will have 1,570,000 dwelling units by 1960 if the present rate of growth continues. The predicted figure represents an increase of 33 per cent, the Chamber says. The 11 counties are Bucks, Chester, Delaware, Montgomery, and Philadelphia in Pennsylvania; Burlington, Camden, Gloucester, Mercer, and Salem in New Jersey; and New Castle in Delaware.

STREET FIGHTS ARE RENEWED IN ARGENTINA

By BRUCE HENDERSON
BUENOS AIRES, Argentina (U-P)—Peace seemed remote today for Argentina, her capital wracked by street fighting and her government renewing its battle with Roman Catholic Church leaders.

Reinforced police patrols roamed the streets of Buenos Aires after the third straight day of clashes yesterday between antigovernment demonstrators and followers of President Juan Peron.

Justice and Interior Minister Oscar Albreu accused seven priests in Buenos Aires of using the pulpit to incite a "campaign of disobedience" against Peron.

He said no action had been taken yet against the priests but that their names would be handed over to church authorities.

"Tolerance has its limit," he said, "and we cannot continue tolerating these things because that would in effect incur with them."

Resumes Campaign

He told newsmen the government would resume its political campaign against the church leaders. But the regime, he added, would not abandon the policy of "pacification" Peron proclaimed in an attempt to restore order after the bloody abortive revolt of June 16. Until this week, the government had virtually stilled its attacks on the church since the revolt.

Commenting on the Peronista party's announcement Tuesday that it was resuming its "political crusade," Albreu said the opposition groups brought this on themselves by rejecting the government's proffered truce. The opposition Radical and Democratic (conservative) parties demanded that Peron restore civil liberties. The skirmishes—many punctuated by shots—broke out before dawn yesterday and continued intermittently until last night in downtown Buenos Aires. Police scattered hundreds of demonstrators with tear gas and fire hoses, but new fights kept erupting.

Sentences For Leaders
It was not known how many persons have been injured or arrested since the trouble began Monday, but the figure is expected to be high.

The Armed Forces Council last night announced the sentences for the ringleaders of the June uprising. Rear Adm. Samuel Toranzo Calderon, singled out as the chief plotter, was handed an "indeterminate" term, which could mean up to life imprisonment. Nine navy and two air force officers received the same sentence.

TOP JAP RED OUT OF HIDING

TOKYO (U-P)—Sanzo Nosaka, who emerged from five years of hiding last week, today was named to the No. 1 Communist post in Japan.

The Japan Communist party announced his appointment as first secretary.

Nosaka succeeds Kyuichi Tokuda, whose death in Peking in October 1953 was announced July 26.

Both Tokuda and Nosaka went underground in 1950 when Gen. Douglas MacArthur purged them from the Japanese Diet.

Police arrested Nosaka last week but turned him loose yesterday after prosecutors decided a MacArthur occupation order was null and void.

Indict Man Who Sent Obscenities Thru Mail

BALTIMORE (U-P)—A federal grand jury has indicted George E. Bowers Jr., 38, of Hagerstown, on charges of sending obscene remarks through the mail to a woman employee of Letter Kenny Ordnance Depot, Chambersburg, Pa. Bowers formerly worked at the depot.

Investigators said Bowers sent a comic valentine and two newspaper clippings to the woman after writing obscene remarks on them.

PHILADELPHIA (U-P)—Stephen F. Cupples, 67, former president of a Harrisburg volunteer fire company, was sentenced to a year in prison and fined \$1,000 yesterday for failure to file tax returns for the auxiliary in 1950 and 1951. U. S. District Court Judge George H. Boldt handed down the sentence.

Jersey Joe Catches Two Runaway Boys

CAMDEN, N.J. (U-P)—Jersey Joe Walcott, former heavyweight boxing champion, captured two escapees from the State Home for Boys last night in a short street chase after a \$25 burglary of a sporting goods store.

Walcott is a special juvenile investigating officer attached to the Camden Police Department. Police said he and Patrolman Bernal Ford were standing a few feet away when the teen-age boys fled from the store.

The men gave chase and Walcott forced the youths against a wall. The boys were identified as Albert MacNeill, 15, and William Brothers, 16. They were charged with breaking and entering and larceny.

York Man Given 3 Years In Prison

PHILADELPHIA (U-P)—Charles Pechenik, 52-year-old president of the Colonial Products Corp., York, Pa., was sentenced yesterday to three years in prison and fined \$10,000 for income tax evasion. Pending an appeal by Pechenik's attorney, U. S. District Court Judge George H. Boldt set bail at \$15,000. Pechenik was found guilty last Friday of evading \$41,000 in taxes on corporation income from 1948 through 1950.

4 CHURCHMEN BACK IN MOSCOW

LONDON (U-P)—Four leading American Baptists returned to Moscow Wednesday after a tour of the Soviet Union. Moscow radio quoted them as saying they were pleased with their contacts and the treatment they received.

Moscow radio said Dr. Arnold T. Ohm, of Washington, D.C., general secretary of the Baptist World Alliance, told Russian newspapermen he was impressed by the "active religious life" in the localities the group visited. These centers included Leningrad, Kiev, Odessa, Simferopol, Yalta and Kharkov.

"Our contact with the Baptists of the U.S.S.R. and the Russian people in general was very pleasant," he said. "We hope that the opportunities for visits will increase in the future."

Others who made the trip are the Rev. Vernon Carney Hargroves, pastor of the Second Baptist church of Germantown, Philadelphia, and a past president of the American Baptist Convention; the Rev. Theodore F. Adams, pastor of the First Baptist church of Richmond, Va., and president of the Baptist World Alliance; and the Rev. Joseph H. Jackson, Negro pastor of the Olivet Baptist church, Chicago, and president of the U.S. National Baptist Convention.

In Memoriam 3

YOHE: In loving memory of our dear father, William J. Yohe, who passed away Nov. 8, 1946, and our dear mother, Charlotte B. Yohe, who passed away Aug. 18, 1936. Not gone forever, just for awhile. We think and tell ourselves each day.

But time is long and missing you makes the words hard to say. At twilight, when eventide draws near, and sunset flows in the sky we think of you, dear parents, and of the days gone by. Thoughts of you come drifting back to know you are resting when the twilight ends the day. We keep in our memory the love of the past.

For deep in our hearts it was to the last.

Sadly missed by daughters

Seek To Develop New Pill That Will Bring Protection Against Atomic Radiation In War, Peace

By FRANK CAREY
Associated Press Science Reporter
GENEVA (AP)—The United States is working intensively on a triple-barreled method of protection against the effects of atomic radiation.

If the method proves applicable to humans, you would take a pill of a chemical called "thiuronium" as soon as the warning sounded for an atomic attack or an atomic plant accident.

Immediately after exposure to radiation, you would get an injection of bone marrow to help recovery from any radiation effects not covered by the original pill.

Saved Half The Mice
Finally a shot of streptomycin would reduce the bacterial infection which is potentially high in cases of radiation damage.

Dr. Alexander Hollaender of the U.S. Atomic Energy Commission laboratory at Oak Ridge, Tenn., described the combination treatment last night at the atoms-for-peace conference.

Hollaender said the three-step treatment enabled 50 per cent of

GA. GOVERNOR AFFRONTED BY LEADER ACTION

ATLANTA (AP)—The refusal of Gov. George M. Leader of Pennsylvania to honor an extradition request for a convicted murderer is an affront to the citizens of Georgia and of every state, according to Gov. Marvin Griffin and Atty. Gen. Eugene Cook.

In a strong statement, the two state officials said the unprecedented action was "an open invitation" for every convict to seek refuge in Pennsylvania.

Gov. Leader recalled a Georgia extradition warrant against Edward Brown and a Philadelphia judge freed him 10 days ago.

Charge "Politics"
Brown, convicted for the 1937 slaying of another Negro in Macon, fled to Pennsylvania after escaping from a Georgia prison farm.

Griffin and Cook said the Pennsylvania governor set Brown free "without so much as even giving the state notice and a hearing on the application for recall."

They charged Governor Leader played politics with Negro legislators in releasing Brown.

Fairfield

FAIRFIELD—Visitors in the home of Mrs. Ella Reid, Tuesday, were Mrs. Alice Charlton and Mrs. Ada Traver, Williamsport, Md.; Mrs. Bertha Saunders, Chewsville, Md.; Mrs. Odella Hyde, Philadelphia.

Mr. and Mrs. Stanley Musselman, and daughter, Ann, Quarryville, spent the weekend at the homes of their parents, Mr. and Mrs. J. B. Waddle and John O. Musselman. Ann remained for an extended visit with her uncle and aunt, Mr. and Mrs. Charles McDannell, Arendtsville.

Mrs. Fred Johnson and daughter, Miss Margaret Johnson, left by car last Friday for a vacation of three weeks with relatives in Seattle, Wash.

Mr. and Mrs. Frank Welkert and daughter, Miss Nancy Welkert, and Miss Rebecca Gingell have returned from a sightseeing trip through the southern states.

Miss Elizabeth Topper spent Wednesday with relatives in Baltimore.

Samuel Scott accompanied his brother-in-law and sister, Mr. and Mrs. Roy Robison, Bainbridge, Md., on a vacation trip to Valonia, Ind. While there they will visit Mr. Robison's mother.

The Lions Club met Tuesday evening at Benner's picnic grounds. The president, Maynard Stuckey, announced the club will conduct a

house-to-house canvass for the sale of brooms Tuesday evening, September 20. The brooms are the Pennsylvania Blind Association and the proceeds will be used for charity purposes which included the sight conservation program sponsored by the local club. The next dinner meeting will be held Tuesday evening, September 5.

The infant daughter of Mr. and Mrs. Robert Scott has been named Robin Lynn.

TWO NEW PLANES ON DISPLAY AT AIRCRAFT SHOW

PHILADELPHIA (AP)—The Air Force will put two new planes on public display for the first time during the Labor Day weekend.

The planes—one a jet fighter, the other a transport—will fly in the National Aircraft Show at Philadelphia's International Airport.

The planes are the McDonnell F-101 "Voodoo"—the fighter—and 5 Lockheed C-130 Hercules, a turbo-prop transport.

More Than 200
They will be among more than 200 jet and propeller-driven craft participating in an illustration of air defense, strategic air, tactical

air and air transport commands.

Martin B-57 bombers, newest of the jet bombers, will simulate a low-level bombing attack. The new F-100 C North American "Super Sabres" will compete in the annual Bendix cross country race, starting Sept. 4, at George Air Force Base, Victorville, Calif., and ending at the International Airport.

Fifth Amendment Plea Poses Problems; Bans Protection Of Other People's Interests

By JAMES MARLOW
Associated Press News Analyst
WASHINGTON (AP)—The use of the Fifth Amendment to protect others raises a simple question of personal courage.

Does a man have the right — when asked by an authorized congressional committee about his past or present Communist affiliations, if any — to refuse to answer under the protection of the Fifth Amendment?

Yes, if he has reason to fear what he says might lead to jail for him later. No, if he has no reason to fear imprisonment himself and his only reason for not answering is to protect others from jail or embarrassment.

Raises Question
When a man invokes the Fifth Amendment for his own protection, it does not necessarily mean he is guilty of any crime. But it does raise a question about his innocence.

Under the Constitution's Fifth Amendment no one can be compelled to say anything which might eventually incriminate him. So, when he pleads the amendment before a congressional committee, he cannot be forced to answer.

If for any reason he did not wish to answer and simply said so — without invoking a constitutional protection — he could be cited for contempt of Congress and, if tried and convicted, be sent to jail.

Not A Crime
But, since it is not a crime in this country to be a Communist, how can a man say anything which eventually might land him in jail? This is an example:

Under the Smith Act, passed in 1940, it is a crime to conspire to teach the forcible overthrow of the government. It doesn't make it a crime to be a Communist but batches of top and second-string Communist leaders have been tried and convicted under the conspiracy charge. Others may be.

But isn't it a fact that nothing a man says in answer to a committee's questions — such as admitting membership in the Communist party — can ever be used against him later in a court trial? Yes.

Could Give Leads
While a man's exact words before a committee can never be quoted against him in a trial later, his words may give the government leads to other information on which he could be prosecuted.

It is for this reason that a man — asked if he is or was a Communist — can escape answering by ducking behind the Fifth Amendment. The protection of this amendment against self-incrimination extends only to questions asked of an individual about himself.

He cannot legally employ it to protect someone else. For exam-

ple, to protect others who might have been in the Communist party with him but have long since left it and perhaps now despise it and regret their former membership. But it would be hard to prove such a motive if the man refused to answer.

Wrongful Use
An individual who uses the amendment only to protect others may flatter himself he is a Good Samaritan or a courageous man. Actually, it is deceitful, since it is wrongful use of the amendment in a way that can't be proved.

It can hardly be considered good citizenship since the committee, established by all the people to protect all the people's interests, has a right to ask questions.

The real act of courage for a witness who wanted to protect others would be not to hide behind the amendment's protection for himself in refusing to answer, but instead to say he would answer no questions. Period.

If he did that he could be cited for contempt of Congress and probably jailed. In that way at least he would be willing to pay a price for what he considered courage. There is no danger behind the Fifth Amendment.

GIRL SURVIVES HEART PATCHES

PHILADELPHIA (AP)—Blonde 4-year-old Donna Hess was ready today to leave Philadelphia's Hahnemann Hospital for her home in Erie, Pa., with her heart patched like nobody else's.

Twelve days ago Dr. Henry T. Nichols patched a tiny hole in the dividing wall of the upper chambers of Donna's heart.

He used a new method for closing the hole and Tuesday the hospital disclosed the operation and its results. Dr. Nichols had successfully practiced his theory that tough tissues around the valves could be used to anchor stitches on the patch without distorting the valves.

Normally, surgeons close a hole in the heart by sewing part of the outer wall over the hole. The hole in Donna's heart was at the bottom of the vertical wall between the upper chambers and normal surgery might have distorted the valves, the hospital said.

Anonymous telephone calls warned police of more raids on military camps throughout Britain.

CONNIE CAUSED WETTEST WEEK IN TEN YEARS

HARRISBURG (AP)—Rains brought into Pennsylvania by Hurricane Connie gave the commonwealth its wettest week in 10 years and provided "adequate soil moisture" for all current needs, the State Agriculture Department reports.

A federal-state survey showed that rainfall during the week which ended Monday averaged 3.8 inches, almost four times above normal and more than fell in the state during the preceding six weeks.

The department said Tuesday it was the wettest week in at least 10 years with total rainfall from 6 to 10 inches reported from York to Wayne counties and eastward and in the vicinity of Snyder County.

Only the extreme northwest and extreme southwest sections received less than two inches of rain.

Temperatures for the week averaged 72 degrees, two above normal but eight degrees cooler than the previous week.

The department reported that overall storm damage was rather light and apparently overshadowed by the benefits of the rainfall to vegetation, crops and reservoirs.

Potato and tobacco crop prospects were improved by the rain, the survey showed and late apples were expected to improve in size. The weather delayed completion of oats harvesting and soil moisture, though now adequate, came too late for some corn in eastern counties the department said.

FREED POW GETS 5 DECORATIONS

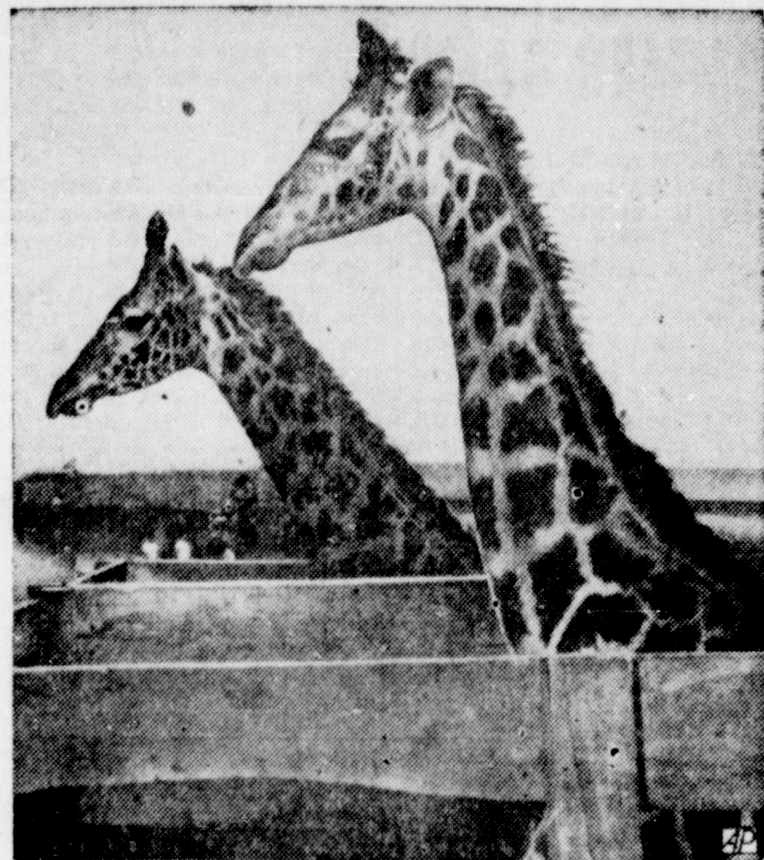

MONTGOMERY, Ala. (AP)—The nation's second highest award and four other decorations were presented Tuesday to Capt. Harold M. Fischer, an American fighter pilot released by the Chinese Reds last May 31.

Two other fliers who were released with Capt. Fischer — Lt. Roland W. Parks, Omaha, Neb., and Lt. Lyle W. Cameron, Lincoln, Neb. — were awarded Air Medals at the same ceremony for their combat achievements in Korea before they were captured in 1953.

The Distinguished Service Cross was awarded Capt. Fischer of Sweet City, Iowa, for extraordinary heroism Feb. 16, 1953, when he led two F86 Sabre Jets against 16 Chinese MIGs. He destroyed two MIGs.

He also received the Silver Star, a first oak leaf cluster to the Distinguished Flying Cross and the third and fourth oak leaf clusters to the Air Medal.

Detectives and army agents hurried to each reported target but all the calls and rumors proved false.

COPPER PLANTS REOPEN AFTER 47-DAY STRIKE

By THE ASSOCIATED PRESS
Employees of the Kennecott Copper Corp. started back to work Wednesday in four states, ending a costly 47-day strike.

A joint union council last night instructed the men to return after agreement was reached with the International Union of Mine, Mill and Smelter Workers at Ray, Ariz.

Kennecott spokesmen said full-scale production would resume as soon as maintenance work neglected during the strike had been polished off. They said all the 11,000 employees in Utah, Nevada, New Mexico and Arizona are expected back by the end of the week.

Utah workers agreed on settlement terms, including a 15½ cent-an-hour wage and pension package, last Friday. New Mexico and Nevada workers later accepted the same offer.

Agreement in Arizona was blocked by a bargaining dispute between the independent Mine-Mill union and the CIO United Steelworkers. The steelworkers have asked the National Labor Relations Board for a collective bargaining election. The board's decision has not been announced.

Kennecott officials said the agreement would not become a formal settlement unless Mine-Mill was certified as the bargaining unit for Ray workers.

Same Terms
A. C. Skinner, secretary of the joint union council, said the Ray Mine-Mill local ratified the agreement late Tuesday night by a "substantial margin." Terms were the same as in the other three states, Skinner said.

Gene D. Smith Gets State Office

HARRISBURG (AP)—Gene D. Smith, former secretary of the commonwealth, has been appointed counsel for the Republican-controlled auditor general's department at \$8,200 a year.

Smith was named counsel on Tuesday by Charles R. Barber, Republican auditor general. The department is a separate entity from the executive arm.

Replaced by James A. Finnegan, Philadelphia, as secretary of the commonwealth when the Democratic administration took over in January, Smith had received \$15,000 a year as a cabinet member for almost five years.

FIND RUINS OF DOCTOR'S PLANE

LOS ANGELES (AP)—Wreckage of a light airplane was found off nearby Redondo Beach Tuesday and identified as part of a craft in which a veterans hospital doctor and nurse disappeared Saturday.

A life guard found a blue and white wheel, tire and part of a door bobbing in the surf.

Woody duke, owner of an airplane rental service at nearby Santa Monica, said the wreckage was part of a four-place Beechcraft Bonanza which he rented to Dr. William H. Head Jr., 33, and Miss Mary Myers, 30, a nurse, both of Westworth General Hospital in Los Angeles.

Dr. Head, a pilot since he was 16, had rented a plane nearly every weekend, hospital officials

and New Mexico had refused to return to work until an agreement was reached in Arizona. The new pay scale ranges from \$13.83 to \$20.39 a day.

LAWMAKERS SAY HIGHWAY OKAY DODGES ISSUE

WASHINGTON (AP)—New highway construction legislation was in preparation Wednesday as the nation's governors came under congressional fire for taking no stand on how to pay for the work.

Sen. Kuchel (R-Calif.), a member of the Senate Public Works Committee, and Rep. Clark (D-Pa.), who serves on the corresponding House group, said Tuesday they are drafting new bills for the coming session, still more than four months away.

Clark and Sen. Neuberger (D-Ore.), another Public Works committee member, criticized the annual Governors' Conference for adopting a resolution last week calling for a "greatly expanded" federal-state interstate road system without taking a position on how to finance the gigantic project.

Neuberger said the governors were "namby-pamby" and ambiguous. Clark said they "passed the buck."

President Eisenhower has pushed hard for a plan that would involve mainly a 10-year overhaul and modernization of the key 40,000-mile system of interstate roads. He proposed paying for the program out of the proceeds of special bonds but this idea was rejected by both the House and the Senate.

Sen. Bennett (R-Utah) said he expects Eisenhower to present a specific new proposal, "perhaps a combination bond and tax plan."

However, the Utah senator said he had no direct word to this effect. During the session just ended, the Senate passed a Democratic-sponsored plan calling for a multi-billion-dollar highway improvement program. It made no provision for financing. But the House rejected legislation that would have put into effect bonds in gasoline and other highway user taxes to finance construction work.

The governors, meeting in Chicago, registered approval of the "objectives" of the Eisenhower highway program, but they took no formal position on the rival financing plans.

ACTRESS' FATHER DIES
BEVERLY HILLS, Calif. (AP)—Jonas Schrift, 64, father of actress Shelley Winters, collapsed and died in his daughter's apartment Tuesday night. Police said the death apparently was from natural causes but an autopsy will be held.

Schrift and his wife Rose came to California several years ago after living in St. Louis and Brooklyn.

His parents, Mr. and Mrs. William Head, live at Mahanoy, Pa. Miss Myers, also a licensed pilot, is the daughter of Mr. and Mrs. Austin Myers, Toledo, Ohio.

Most Of India Is Normal But Strike In Calcutta Continues

By EUGENE LEVIN
NEW DELHI (AP)—Most of India returned to normal Wednesday but a general strike continued in Calcutta, the nation's largest city, in protest against the killing of Indians who marched into Portuguese India Monday.

First reports from Calcutta, home of two million Indians at the country's eastern edge, made no mention of any violence Wednesday. Demonstrators there yesterday sacked the Portuguese consulate and halted all but essential services.

New Delhi, Bombay, Nagpur, Hyderabad and other large cities were reported quiet again today after anti-Portuguese riots and strikes in which nearly 100 persons were injured. The worst violence was in Bombay, a headquarters for the Indian "peaceful invasion" Monday of the three small Portuguese territories on the west coast.

Nehru Apologizes
Prime Minister Nehru offered his "deep regrets and apologies" today to the foreign missions attacked in the rioting. In addition to the Portuguese consulates in Bombay and Calcutta, the office of the deputy British high commissioner in Bombay was attacked because its staff refused to lower its flag in mourning for those killed by the Portuguese.

Nehru told Parliament his government "is prepared to pay full compensation" to the foreign governments for any damage done.

Authoritative sources said that before Nehru spoke, British, American and other foreign diplomats had expressed concern over Tuesday's incidents in informal talks with Indian Foreign Ministry officials.

U. S. Office Stoned
American sources in the capital said the U. S. Information Service office in Bombay was stoned by the mob Tuesday when it refused to lower the U. S. flag in honor of the Indian dead.

They said there were no injuries and only windows were broken. As a precaution, the USIS office in Calcutta remained closed today.

The Prime Minister said latest official reports listed 14 killed in the march Monday into Goa and Daman, 6 or 7 more presumed dead, and 24 others missing — believed either dead or in Portuguese jails or hospitals.

A government spokesman later told newsmen 112 Indians had entered the third Portuguese territory, Diu, and all were missing. The Portuguese said Tuesday all but a few of the invaders had been driven back into India. A communique said only eight Indian dead could be accounted for, while three wounded were reported.

YOSKO SCORES GOP ABSENCES AT TAX HEARING

HARRISBURG (AP)—Sen. Yosko (D-Northampton) has challenged Republicans senators to "get off their high horse" and attend the Democratic budget hearings to "learn first hand what the financial needs of the state are."

Yosko, who heads the eight-member Senate committee, said the Republican lawmakers show "a very, very sad disinterest in the fiscal affairs of the state."

The committee, scrutinizing Gov. Leader's \$1,800,000,000 budget department by department, turned its attention Wednesday to appropriations for the University of Pittsburgh, Jefferson Medical College, and several other institutions state-owned or aided.

Should Attend
"You Republican senators," Yosko said prior to the session, "owe it to your constituents to attend these important hearings and get first hand information from the reputable administrators of the state's agencies which are responsible for spending the commonwealth's money."

The Northampton County lawmaker said he intends to continue the hearings for "as many days as it takes to finish the job."

Yosko made numerous references to Republican senators who have declared Leader's budget could be cut by as much as 220 million dollars without sacrificing services to the public.

Political Charges
"The absence of these Republican senators at these hearings, although a number of them are in town, is evidence to me that the charges of budget padding that they have made are nothing but politics working at its worst," Yosko declared, adding:

"These Republican senators will just have to get off their high horse and at least come to these meetings to listen in and learn the situation if not to question the witnesses and try to back up their charges of budget padding."

The Pennsylvania State Education Assn. asked the committee Tuesday to boost by 72 million dollars the budget allocation for schools to prevent "disastrous harm" to the state educational system.

Pencil makers report that life expectancy of their product has increased until a 7-inch pencil can be sharpened 17 times and write 45,000 words.

SCOUTS RESUME ACTIVITIES; HAD SUMMER CAMP

The American Legion Troop 348 of the Boy Scouts held a swim and corn bake Wednesday evening at Natural Dam. Wilbur O. Thomas, Robert L. Bowers and Phillip R. Lawyer were in charge of the event.
Group activities for both the Boy Scouts and the Explorers are resuming after the group's return from the annual summer camp, held July 30-Aug. 6, at Broad Creek Memorial Camp, Whiteford, Md.

The first affair on the fall program is a special Sunday outing set for August 28, 1 p.m., at Natural Dam. Regular Thursday meetings for the Scouts will begin Sept. 1.

Events at the summer camp included activities in swimming, boating, softball, archery, target practice, first aid, nature study, campfires and church services. Some of the boys visited the Aberdeen Proving Grounds, and others took a canoe trip up the Susquehanna River.

Pass Tests
The Scouts and Explorers also worked on their individual tests and merit badges. Tenderfoot tests were finished by David Hopkins and Frederick Sherman. Various second class tests were passed by Philip Garret, Rodney Barnhart, Edward Reaver, Charles Becker, David Hopkins and Richard Sell, as were first class tests by James Hemler Jr.,

William Pittinger and James Dunn III. Becker completed his second class rank and Dunn his first class.
Cooking merit badges were earned by Becker and Pittinger, canoeing by George Abrecht, Wilmer Barnes Jr., Francis Nelson and Garrett and astronomy by assistant advisor Robert L. Bowers and senior crew leader Harold Slaybaugh. Progress in bird study and insect life by Slaybaugh was recorded.

Former Four Groups
When the Explorers and Scouts first entered the camp, they divided themselves into four groups: the Stumpjumpers, Wilmer Barnes Jr., Charles Becker, David Hopkins, John Myers Jr. and Richard Sell; the Ubangis, George Abrecht, Philip Garret, James Hemler Jr., Donald Reaver, Scott Rodgers and Lee Sherman; the Jungle Wolves, Donald Sharrer, William Pittinger, James Dunn III, Ronald Hopkins, Edward

Reaver and Charles Turner, III, and the Fireballs, Francis Nelson, Rodney Barnhart, Grant Harmon, Frederick Sherman and Larry Weishaar.
Bowers supervised the cooking and stewardship while Kenneth K. Frock, another assistant leader, had charge of waterfront activities. Slaybaugh was responsible for the athletic program and Explorer advisor Stanley F. Frock served as life-guard.

LARGE FAMILY VARIES LIFE FOR NOTED ACTRESS

By JOY MILLER
(The Associated Press)

Every night after her last bows as star of the Broadway hit play, "Anastasia," Viveca Lindfors goes home to:

A husband, three children, one dog, seven puppies, one cat and two kittens.

"They make her a better actress, she says."

"Whatever full experience you have—love for humanity, children—is to your advantage as an actress. The more fully we live, the more we have to play upon."

It is late morning and she sits serene and unruffled in her second floor living room cheerfully lined with books, Swedish paintings and Swedish copper molds on the white brick fireplace.

She wears a sleeveless cotton duster and no makeup and holds her youngest child in her lap. Christopher, chubby and 2½, protests his hunger and she interrupts her conversation now and then to call downstairs to his nurse about his lunch.

Daughter, Pets Upstairs

Upstairs in the narrow, four-story Manhattan house her 11-year-old daughter, Lena, is playing with two girl friends. An dsharing a huge pen in Lena's room are the puppies and kittens who take turns cleaning each other up with friendly tongues.

In another upstairs room David, 12, is holed up, refusing to pose for magazine photographers who are coming up later to take color pictures of the family.

A plumber is banging away somewhere, and once her husband, the writer George Tabori, slips down the stairs, moving quietly to avoid running into anyone in his bathrobe.

In and out of the various rooms wander Pretty Penny, the mother cocker, and Beauty, the mother cat. "Yes, it's possible to combine three careers—wife, mother, actress," she says. "It's just a question of adjusting. At times you're home a great deal, then you get a job and you're hardly home at all. Of course, then you can hire help which you can't afford when you don't have a job" with egg and water and beat for Christopher screams for food. She hugs him, her reddish brown hair falling over his face.

Not Too Ambitious

"You know, it's easier to raise the third child. By that time you're not filled with ambition about what you want them to be; you just accept them for what they are."

She points through a back window to a vacant lot between her house

Organizes Firm To Employ Handicapped

LA CROSSE, Wis. (AP) — An industry planned to provide jobs for handicapped people is almost ready to start operations here. Warren Loveland who has given up a well-paid job to head Crusades, Inc. made the announcement.

Loveland, president of the chamber of commerce, has been active in the National Association for Infantile Paralysis. He has a son, Stafford, 10, now being treated for polio at Warm Springs, Ga.

A survey shows there are about 100 employable handicapped people in the La Crosse area. Subcontract work has been lined up to start Crusades, Inc. and it will eventually go into light manufacturing, Loveland says.

He expects the project to compete on a private enterprise basis. At the same time he plans to adjust the jobs so that handicapped people will have a proving ground as well as a place to polish their skills for employment in other firms. His new firm will also be an educational project to show that handicapped people can be effective workers, he says.

Although many firms do employ the handicapped, enough fail to do so to keep many people in idleness to the detriment of themselves and the community, he urges.

Statue Of Robert Fulton Finds Home

NEW YORK (AP) — An 83-year-old statue of Robert Fulton, the steamboat inventor, now has a home and a head. The zinc statue, more than 10 feet tall, had stood at various outdoor sites in New York City. It suffered deterioration from the weather. Finally it was placed in storage, with the head removed to avoid breakage.

But now it has been placed in a loggia of the Museum of the City of New York, with the head attached.

KEY TO RECOVERY

ST. LOUIS (AP) — When his daughter's convertible was stolen Everett Reed got a set of keys to the stolen car. Just in case.

The next day, while driving home from work, Reed spotted the car parked in a city park. He drove it home and reported the recovery to police.

Maybe in 20 years it will be different—we'll wake up. In the good old days there were always lots of aunts and uncles to watch children. Now we are all alone, except for the schools, of course."

HAM AND EGGS CAN TAKE MANY VARIOUS SHAPES

Associated Press Food Editor

Good things come in small cans. Open a little container of deviled ham and you'll find a heap of flavor. So many ways to use this spread—but top favorite of all with us is to let it be a partner to poached eggs.

We offered this combination to our family one Saturday morning recently. Came Sunday "How about retasting the ham and eggs you tried on us yesterday?" our teenage nephew asked. We accepted the compliment, were happy to oblige.

You get a bonus with a 2½-ounce can of deviled ham. Remove both flat ends of the can with a rotary-type can opener and you'll have perfect circles with smooth edges to use as rings for poached eggs.

Ever been bothered by the wanton shape of a poached egg? Turned your nose up at raggedy edges? Save your small deviled ham cans and you can poach eggs without trouble.

Butter Skillet

Here's how we use the rings to poach four eggs. We butter the bottom of our deep 10-inch copper-clad stainless steel skillet. Then we butter well the inside band of four rings and put them in the skillet. We put six cups of water in the skillet, cover it and bring the water to a healthy boil. We remove the cover

and turn the heat very low; immediately we break an egg into a demitasse cup, and holding the tiny cup so the top of it touches the rim of a ring, we drop the egg into the

ring. We quickly drop the other three eggs into the remaining rings in the same way; sometimes we cover the skillet at this point, sometimes we don't. In five to six min-

utes, with the heat kept very low so the water won't bubble, the whites are well set and the yolks still runny—a condition we esteem. We remove the rings with kitchen tongs and then speedily take out the eggs from the water one at a time, with a slotted spoon.

In case you think we are making a big production of preparing a simple dish, we hasten to say that numbers of cooks have confessed to us that poaching eggs is their Waterloo. Here are the directions for using the eggs with the ham.

Deviled Ham And Poached Eggs

Ingredients: 4 slices bread, 1 can (2½ ounces) deviled ham, 4 eggs, salt.

Method: Toast the bread on one side only in the broiler or a range or under the heating element of an electric rotisserie. Spread the untoasted sides with ham. Place under the broiler again to heat the ham. Meanwhile poach the eggs. Place a poached egg on each slice of hot ham-spread toast. Sprinkle eggs lightly with salt. Makes 2 to 4 servings.

Note: For 4 to 8 servings, use 8 slices of bread, 1 can (4½ ounces) deviled ham and 8 poached eggs.

For brunch or luncheon we find that deviled ham added to a cream sauce and topped with sliced eggs also makes a pleasant dish.

Eggs With Deviled Ham Sauce

Ingredients: 1½ tablespoons butter or margarine, 1 tablespoon minced onion, 1½ tablespoons flour, 1½ cups milk, 1 can (4½ ounces) deviled ham, 8 slices buttered toast,

DRUM CORPS TO COMPETE AUG. 20

Prizes totaling \$2,100 will be awarded contesting drum and bugle corps in an invitation competition scheduled for Saturday at the Del-one Catholic High School Athletic Field, McSherrystown. The event is sponsored by the corps of the Har-old H. Bair Post 14, American Legion, Hanover, in celebration of the Hanover corps' 35th anniversary.

Awards ranging from \$600 for first to \$200 for last place will be given on the basis of points accumulated in the judging of inspection, marching and maneuvering, drumming, bugling, general effect and cadence.

Legion and VFW corps which have accepted invitations include the Homewood Rockets, Pittsburgh; Williamsport Black Eagles, which won first place at the state convention in Pittsburgh last week; the Hamilton Yankee Rebels, Baltimore; the Harrisburg Privateers; the Worm-

4 to 6 hard-cooked eggs (sliced).

Method: Melt butter in saucepan over low heat; add onion and cook a few minutes. Blend in flour. Add milk all at one time; cook and stir until thickened and bubbly. Stir in deviled ham; reheat slowly to blend flavors. Pour ham sauce over buttered toast; top with sliced eggs. Makes 4 servings.

Foreign Troops To Leave Sudan Shortly

KHARTOUM, Sudan (AP) — Withdrawal of British and Egyptian troops from the Sudan within three months was set Wednesday as the next step on the timetable for Sudanese self-determination.

Parliament unanimously adopted a resolution Tuesday calling formally for the withdrawal of foreign troops after 56 years of occupation. Under the British-Egyptian agreement of 1933, the forces — 1,000 or so Britons and about 600 Egyptians — are to be out within 90 days of adoption of the resolution.

CHICAGO (AP) — The package ticked ominously and rang at nerve-shattering intervals, so the railroad mail clerk summoned a post office inspector who sent for the police bomb squad.

Sgt. Drew Brown and Frank Grady Jr. opened the package and found a harmless battery-operated intercommunication system. They rewrapped it and sent it on.

leysburg Westshoremans, and the Kenwood Cavaliers, Baltimore.

Invitations have also been sent to the Hawthorne Caballeros, Hawthorne, N. J., twice national American Legion champions, and the Geneva, N. Y., Appleknockers, a hit at last year's Legion contest.

The rain date is Sunday, August 21, at 2 p.m.

SPOTS QUEEN'S FACE IN MARBLE FLOOR IN UTAH

SALT LAKE CITY (AP)—George H. Gowan has just finished reading a newspaper story about Queen Elizabeth II when he saw her face on the floor.

The coincidence shook Gowan a little, although he is used to seeing faces on the floor—and the walls—of the building where he works.

He is the guide on the second floor, the rotunda, of the Utah State Capitol. He has been there two years, and in that time he figures he has found at least 100 pictures.

There is nothing wrong with Gowan's sight. Anybody who visits the rotunda can do the same thing, and so many pictures have been spotted that Gowan says he could not begin to estimate the number.

The floor and walls are inlaid with gray Georgia marble. In the grain of the marble and in the way the panels are joined you can see butterflies, a pair of socks, Mt. Hood, a lion's head, a Cub Scout's profile, an atomic explosion, an hour glass and what Gowan calls a "Persian rug" containing the faces of sleeping children and a Newfoundland dog's face front view.

Many More
These are just a few of the pictures on the floor and walls.

The marble pillars are full of pictures, too: Mae West, Santa Claus, a Boston Terrier.

In one wall panel you can see black crickets, like the ones that plagued the early Utah settlers. And on the pillars opposite are swooping seagulls, like the ones that devoured the crickets.

Gowan says the pictures are there

Groundhogs Menace Watermelon Patch

JERSEYVILLE, Ill. (AP)—When George Kirchner's watermelon patch was invaded by groundhogs he shot and trapped 104 of them and collected county bounty of 25 cents each.

Kirchner said, "Last year I lost 20 watermelons to one big old groundhog. He just chewed into each melon for pure cussedness. I reckon, and not because he was really hungry. A few groundhogs can do more damage in a melon patch than a truckload of grade school boys."

by accident, not design.

The marble was laid in 1915 and the first to spot a picture were the workmen who did the job. They saw a face in one panel and called it William Jennings Bryan. Gowan thinks it looks more like Bismarck. But some people think they see a resemblance to Genghis Khan.

"Anyhow, people have been seeing pictures ever since," Gowan says.

Because of the rotunda's age, some of the pictures had to wait a long time before they got names—like the atomic explosion and the Cub Scout. And some were a long time in being discovered—like Queen Elizabeth II. After Gowan spotted her face, he found an identical likeness of her, across the floor cut from the same block of marble but not quite so clear.

Elizabeth isn't the only queen on the floor. Queen Victoria is only a few feet away. Gowan has known about her for a long time.

"I'd have sworn every picture had been found," Gowan says. "But I turned around and there was Queen Elizabeth, right on the floor behind me."

"The floor was laid 11 years before Elizabeth was born in 1926—and Mother Nature put her face in that marble maybe a million years ago."

ENGINEER SAYS CAR SEAT BELTS WOULD HALVE TRAFFIC DEATHS

By DAVID J. WILKIE
Associated Press Automatic Editor
DETROIT—Scooped at for years as impractical and unwanted, the automobile seat belt may yet become standard equipment. Edward R. Dye of Cornell University testing laboratory says its universal use would cut auto crash fatalities in half.

A \$5,000 annual death toll on the nation's highways is making more motorists conscious of safety. National and state legislation is being proposed for the installation of safety belts. However, even proponents of the belts say safety cannot be legislated into motor-cars and motoring. It will have to come, they say, through a prolonged course of education.

Dispute Continues
Probably nothing suggested for the automobile in the last quarter century or more has stimulated as much argument as the seat belt. The automobile industry's spokesmen say it can be installed in a car with relatively little added cost. But, they add, few persons want the belt until they have been involved in a serious traffic accident.

They and also that the belt alone may not be the complete answer to safer driving. It may have to be supplemented with a shoulder harness. Relatively few persons, they say, want to be strapped into an automobile.

Also proposed are a chest guard over the steering post and padding

over the dashboard. The former would save many drivers from chest injuries; the latter would absorb head blows that might be suffered by the occupant of the so-called "suicide" seat—along-side the driver.

All these things have been tested exhaustively by the Cornell Aeronautical Laboratory, an affiliate of Cornell University. And the safety belts have been unqualifiedly endorsed by a group of surgeons who participated recently in a panel discussion of the car safety problem.

Alvin C. Smith, writing in the laboratory's "Research Trends," says that to be really effective the belt "must be attached to the primary structure (frame) of the car;" that the belts should be arranged with one person per belt.

What happens to driver and passengers in an average automobile colliding head-on with another ve-

hicle or crashing into an immovable object? Many of the car companies have joined in the effort to find out. Generally they are coming up with almost identical answers. Simulating various types of crashes, with driverless cars occupied by dummy figures representing children and adults, they learn:

The majority of passenger fatalities are a result of head blows.

In a front end collision the driver will invariably receive a potentially injurious blow to the torso against the steering wheel; where the rate of deceleration is beyond a certain point the driver, if not impaled on the steering wheel post, will also receive a head blow against the upper windshield or windshield molding.

For the adult in the front seat, the head initially strikes the upper windshield molding region, followed by a secondary head blow, usually

glancing against the windshield and a facial blow on the upper instrument panel shelf.

Describing its tests the Cornell Laboratory reported:

"Rear seat occupants frequently ended up in the rear compartment, although photographic records disclosed they had traversed the length of the compartment—rear to front and then back again."

Out of the tests may come modification of automotive interiors. And because acceptance of seat belts on a wide scale may be slow in coming, the researchers are exploring other methods of body restraint.

Among these other methods are such things as pull-out panels, crash bars and special seat design. It is agreed, however, that these devices requiring major redesign of the vehicle itself, are restricted to the car of the future.

REVERSED MENU

SAN DIEGO, Calif. (AP)—Waitress Muriel Kessel said a mid-afternoon customer came in and ordered strawberry shortcake. Still hungry when finished, the man ordered some fried eggs.

Miss Kessel watched him eat the eggs, then folded her arms and asked him, "Now would you like your soup?"

VEGETABLE RECORD

DAVIS, Calif. (AP)—The super giant among California's agricultural giants is the vegetable industry. So says J. E. Knott, chairman of the Department of Vegetable Crops at the State Agricultural College. He said vegetable shipments in 1954 more than doubled the state's combined volume of grapes, citrus fruits, deciduous fruits, nuts, berries and miscellaneous fruits.

Uranium Hunters Ruin Old Homestead

CARRIZOZO, N. M. (AP)—Uranium prospectors are getting in the hair of at least one oldtimer here. He recently wrote the Lincoln County News he had paid taxes on his homestead for more than 30 years. "Received patent from the U.S. government in 1921. There was no demand for this land at that time. I fenced the land and built tanks for stock water. Now the uranium hunters have taken my place over, bulldozed holes all over the place and spooked the cattle away from water tanks. Just what can the poor homesteader expect from good old Uncle Sam?" (Modern homesteaders acquire only surface rights to their land.)

GIFTS FURNISH FARMHOUSE OF EISENHOWERS

By JANE EADS
WASHINGTON (AP)—The Eisenhowers wouldn't have to buy a thing for their Gettysburg farmhouse if they accepted and used all the items offered them by citizens and groups the world over.

They got a good start on their farmhouse library at the old-fashioned "Neighbors Shower" at the Congressional Club's annual branch for Mame.

Neighbors from all the states and territories showered them with books. The books are about each of the states, some historical event in the state, or written by a famous author from the state.

For instance, Carl Carmer's "Stars Fell on Alabama" was presented by the Democratic senator's wife, Mrs. John Sparkman. Former Governor Ernest Gruening's "The State of Alaska," was presented by Mrs. E. L. Bartlett, the wife of the Alaska delegate. "Fremont," written and autographed by Allen Nevins, was the gift of Mrs. Everett Dirksen, wife of the Republican senator from Illinois.

"Gift from the Sea," written by Anne Morrow Lindberg, now living in Connecticut, was given by Mrs. Prescott Bush, wife of the Democratic senator.

Other books included "Inside Michigan," "Hoosier Caravan" from Indiana; "States Fair," Iowa; "Northwest Passage," Maine; "Prince of Foxes," New Jersey; "Sky Lines and Wood Smoke," South Dakota; "The Raven," Texas, and "Stay Away, Joe," (no, not from Wisconsin), a story about a Montana Indian.

President Eisenhower, who dropped in on the luncheon when Mame's doctor ordered her to stay in bed, peeked into a large rural mailbox bearing the lettering "R. F. D. 2, Box 28" and proclaimed, "Lincoln had his Gettysburg Address, so has Eisenhower." He found some additional gifts addressed to Mame.

The Statler Hotel banquet room where the luncheon was held was turned into a Pennsylvania Dutch kitchen with red-and-white checked cloths on the tables, centered with

New Type Of Winter Barley Being Grown

KANKAKEE, Ill. (AP)—Farmers hereabouts are keeping their eyes on the fall-seeded barley field of Henry Classen for it may prove to be a profitable substitute for oats as a crop.

Known in New York state as Hudson barley, it is a new winter variety developed at Ithaca by the Cornell University Agricultural Experiment Station in cooperation with the U.S. Dept. of Agriculture.

In its home state, yields have an acre during the years 1947 to 1953. The test weight is 49.4 pounds a bushel.

It is believed the new variety of barley is especially adaptable to the Illinois climate because Classen's field showed very little winter kill.

Two New Types Of Peaches Developed

SOUTH HAVEN, Mich. (AP)—Sunhaven and Richhaven — two new varieties of peaches developed by Stanley Johnston at the South Haven Agricultural Experiment Station — were introduced this year. Both originated from crossing of the Red Haven and SH-50.

Both varieties are bright red and gold, averaging 2 1/4 to 2 1/2 inches in diameter. The Sunhaven ripens 10 days earlier than the Redhaven, currently the first Michigan peach of commercial importance.

Johnston says the Sunhaven tends to be clingy until it is fully ripened and is intended only for fresh market channels. The Richhaven is a dual purpose peach, rated excellent in commercial canning tests. A tough, thick skin protects it well in shipping.

Trees are large, vigorous and self-fertile. Some of them weathered a freeze of November, 1950, which killed off about half southwest Michigan's peach trees.

TOOTH TROUBLE

MISSOULA, Mont. (AP)—Police quoted Stanley Dahlstrom as saying he had a wisdom tooth pulled. Later he blacked out at the wheel and his car hit a utility pole.

YOUR LEGS CAN BE MARKS OF NEAT GROOMING

By VIVIAN BROWN
AP Newsfeatures Beauty Editor

A man needn't be a wolf to size up a girl by her legs. If stockings serve as a screen against the outer world, chances are she doesn't work at glamor.

The "lazy leg groomer" misses the fun of picnics, beach parties and other playtime occasions—all because she can't bare her legs.

A good routine and a little know-how will put your legs in the chic bracket quickly, so that you can go from garden to golf course without staying in slacks.

Defuzzing comes first. If you haven't been faithful to a leg

smoothing routine during winter months, start now.

Take your choice of methods. There are hot or cold waxes to keep legs hair-free for a longer period, not simple to use at home, although salon operators do an effective job. Cream depilatories are sweet smelling now and more effective than formerly. Abrasives are not easy to use. The safety razor requires a steady hand and a good father to avoid nicks.

Pink And Blue

The electric razor is preferred by many women. New shavers are designed especially for women, available in peppermint pink and feminine duchess blue with the cutting edge set in just the right place to do a proper job of hair removal without scraping the skin as Dad's shaver might do. A little talcum is brushed on dry legs just before shaving and the razor is whisked over the legs, putting you in the slick kick bracket.

A good lubricating oil should be

rubbed over the legs each night, massaging it up over knees and thighs. Blot it off carefully before going to bed to avoid staining bed linens.

Women who do sedentary work are likely to have thighs out of proportion to their figure. A rolling exercise may help slim them down, but walking at a brisk pace is the best exercise for this purpose. Wear a good fitting girdle and this will serve as a massager as you attempt to trot your fat off. Walking also helps shake weight off the waistline. But don't expect to lose inches if you just mope your way along. Step lively and you'll whittle away inches.

ALBUQUERQUE (AP)—Kenneth and Clois Tolbert are deep in the motorized lawn mowing business. Distance between jobs just means fun, for they mount their power mower on a soap-box racer, rig a belt from it to a back wheel and ride to work.

Torn Streets Raise Church Attendance

WORCESTER, Mass. (AP)—Perhaps one way to increase church attendance is to tear up the streets around the church, says the Rev. Oscar B. Anderson of Worcester's Belmont St. Baptist Church. Railway underpass construction began beside his church, causing the street to be closed and dug up, making the area a dusty mess and parking miserable, he says. But attendance went up — 10 to 15 per cent in church, church school and midweek service.

DETROIT (AP)—A steel company claims its blast furnace on Zug Island in the River Rouge is the world's largest. It measures 30 feet 3 inches in diameter and has a rated capacity of 50,000 tons of pig iron a month. No other blast furnace crosses the 30-foot line, company spokesmen say.

SLIPPERY DEAL

FREDONIA, Ky. (AP)—Oil's well with farmer Malcom Boone, but the town's civic clubs have troubles. The clubs raised money for Fredonia's first waterworks and arranged to drill on Boone's land. But oil was struck and the project was abandoned after the clubs had spent \$1,300. Boone leased 296 acres to an oil company, which will drill for oil, not water.

SOUP'S ON!

HAMDEN, Conn. (AP)—Lawrence Kelley was charged with driving through a red traffic light. His explanation in court was that he had a kettle of soup in his car and was afraid some of it would spill if he stopped. Judge John E. Mc-Nerney said: "Next time let the soup spill. Pay the clerk \$9."

GROESBECK, Tex. (AP)—A man driving a Cadillac recently stopped at a hardware store and bought a pair of walking plow handles.

Investigate Prices Of Montana Gasoline

MISSOULA, Mont. (AP)—The man in charge of a Montana Legislature-ordered investigation of gasoline prices said his preliminary studies show that gasoline prices in Montana are the nation's highest, exclusive of taxes. He said Missoula's gas prices, exclusive of taxes, are the highest of any city in the United States.

John Vance, counsel for the Montana Trade Commission, said, "Maybe there is a satisfactory explanation. That's what we are trying to find out." The Legislature appropriated \$20,000 for the investigation.

LIONS INVITE LADIES TO THEIR NEXT MEETING

Ticket sales for the Lions Club's annual crab and shrimp feast have been described as "fair" by Lions officials but business is expected to increase in tempo before next Tuesday when the affair will be held at 6 p.m. at the Taneytown Memorial Park.

The Lions are offering "all you can eat and drink" at \$3 per person with ladies invited. The funds go to the local club's treasury, for use in community betterment projects. Homer Y. Myers is in charge of ticket sales.

Miss Belva Koons was honored for her twenty years' leadership of the Taneytown 4-H Girls' Club, but she was unable to attend the luncheon honoring her. The luncheon, lauding her and other local leaders, was held Friday at the University of Maryland, College Park, and Miss Koons was sick on that day.

The luncheon was a part of the annual 4-H Club Week at the University of Maryland, with Miss Dorothy Emerson, state 4-H agent, in charge. Miss Koons, although not present, will receive a special pin in honor of her twenty years of service.

The annual picnic for the 4-Hers and their families was held Tuesday evening at Memorial Park. The meal was served by Mrs. Alvin Bair and Mrs. Earl Stonesifer.

NAME FLANAGAN STATE SENATOR

Sherman E. Flanagan, Westminster insurance man, was appointed State Senator from Carroll County Tuesday by Governor Theodore R. McKeldin. He succeeds Stanford Hoff, who resigned August 6 to accept chairmanship of the Maryland Public Service Commission.

Mr. Flanagan, 56, has been long-time chairman of the Carroll County Republican Committee, and his selection had been predicted by observers. Mr. McKeldin said he made the appointment after learning that the Republican State Central Committee had endorsed Mr. Flanagan. Under state law, the governor must follow the county recommendation.

Mr. Flanagan, a native of Frederick County, was educated in that county's public schools, but has lived in Carroll County for more than 30 years. He holds a bachelor's degree in education from George Washington University, a master's degree from the University of Maryland and a doctorate from George Washington.

From 1924 to 1927 he was principal of Charles Carroll High School, near Union Mills, before he entered the insurance business. He was member of Maryland House of Delegates from 1930 to 1932, and served as a magistrate under the Nice Administration, in the late 30's.

The Carroll County area which he will represent includes Taneytown and Harney.

DOCTOR OPENS OFFICE

Dr. E. A. Thompson, a native of New York City, opened a general medical practice in Taneytown last Wednesday. He is sharing the Frederick St. offices of Dr. R. S. McVaugh. Dr. Thompson said he expects to move his family from Philadelphia to Taneytown Thursday.

and daughter, Miss Harvey Dougherty, Winston-Salem, N. C., returned home after spending a week with Mr. and Mrs. Raymond Wantz, East Baltimore Street, and attended the Withrow family reunion.

Elizabeth B. Queripel, Milton, Pa., became the bride of Dr. George J. Wolfe, Gettysburg, son of William J. Wolfe, Middletown, this morning at 10:30 o'clock at the parsonage of Rev. Dr. Norman S. Wolf, 116 W. Middle St. The single-ring ceremony was used.

The bride wore a red suit and a matching hat. Her accessories were navy.

The couple will return to Gettysburg after a ten-day honeymoon in the New England States. As a going-away attire the bride wore a blue print dress.

Mrs. Wolfe is a member of the
